INDEPENDENT AUDITOR'S REPORT

TO: THE OFFICIALS OF IVY TECH COMMUNITY COLLEGE, INDIANAPOLIS, INDIANA

We have audited the accompanying basic financial statements of Ivy Tech Community College, a component unit of the State of Indiana, as of and for the years ended June 30, 2009 and 2008. These financial statements are the responsibility of the College's management. Our responsibility is to express an opinion on these financial statements based on our audit. We did not audit the financial statements of the component unit of the College as discussed in Note 1, which represents 100% of the assets and revenues of the discretely presented component unit. The financial statements of this component unit were audited by another auditor whose report thereon has been furnished to us and our opinion, insofar as it relates to this unit, is based upon the report of the other auditor.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, based on our audit and the report of the other auditor, the financial statements referred to above present fairly, in all material respects, the financial position of Ivy Tech Community College, as of June 30, 2009 and 2008, and the changes in its financial position and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated October 12, 2009, on our consideration of Ivy Tech Community College's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. The report is an integral part of an audit performed in accordance with Government Auditing Standards, and should be read in conjunction with this report in considering the results of our audit. This report will be issued in the College's Single Audit report prepared in accordance with OMB Circular A-133.

The Management's Discussion and Analysis (MD&A) is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion on it.
