

Help your students turn their Associate of Applied Science into a Bachelor of Science from Franklin University

At Franklin University, we are proud to provide educational opportunities to Ivy Tech A.A.S. students.

We know that as a faculty member at Ivy Tech, you play an important role in the success of your students by providing them with both an excellent technical and educational background.

Franklin's goal is to build from your efforts and provide your students with the opportunity to earn a bachelor's degree while remaining in their local community.

At Franklin University, we:

- Gladly accept the entire Associate of Applied Science degree
- Allow students to take courses at Ivy Tech beyond the associate's degree
- Offer completion courses in a convenient, online format
- Offer financial aid and scholarship opportunities to your students
- Offer a free official credit evaluation and application
- Offer sixteen innovative undergraduate majors

Ivy Tech majors accepted in transfer include:

Agriculture • Biotechnology • Chemical Technology • Electrical Engineering Technology • Kinesiology • Pre-Engineering • Automotive Technology • Aviation Technology • Building Construction Management • Construction Technology • Design Technology • Electronics & Computer Technology • Industrial Technology • Machine Tool Technology • Recreational Vehicle Service Technology • Community Emergency Preparedness & Management • Criminal Justice • Hospitality Administration • Human Services • Library Technical Assistant • Mortuary Science • Paralegal Studies • Public Safety • Accounting • Business Administration • Computer Information Systems • Computer Information Technology • Office Administration • Transportation, Distribution and Logistics • Health Sciences • Agriculture • Biotechnology • Chemical Technology • Electrical Engineering Technology • Kinesiology • Pre-Engineering • Automotive Technology • Aviation Technology • Building Construction Management • Construction Technology • Design Technology
