

The Ivy Tech Scholarship

Cost is a major factor to most people choosing a career and a college. That is why Ivy Tech Community College - Central Indiana is please to offer the Ivy Tech Scholarship

The Ivy Tech Scholarship is available annually to outstanding graduating seniors from each area high school who meet the criteria and complete all application procedures. Seniors from each high school in **Boone, Hamilton, Hancock, Hendricks, Johnson, Marion, Morgan and Shelby** counties are eligible.

Recipients of the Ivy Tech Scholarship will be awarded \$1,000. The scholarship must be used beginning in the fall of the year the recipient graduates from high school and must be used within the student's first year of enrollment . The scholarship applies to tuition and fees only and will be equally divided over two semesters of enrollment.

Scholarship winners and their high schools will be notified by letter of their selection after May 1 of their graduation year.

All questions should be directed to the Office of Admissions at Ivy Tech by calling (317) 921-4800

Application Procedures

SCHOLARSHIP REQUIREMENTS:

1. Graduating senior with a "B" or higher grade point average. (For example: a 2.5 or higher based on 4.0 score.)
2. Must complete Ivy Tech's Academic Placement Test (COMPASS). If you have taken the SAT or ACT, you may submit your scores instead of taking the Ivy Tech's COMPASS test. (SAT scores must be at least R460 Verbal and R460 Math. ACT scores must be a composite of 21 or more with at least a 19 or higher in English, Reading, and Math.)

TO APPLY: Students must complete the scholarship application form and submit all the information listed below to the Ivy Tech Office of Admissions by **May 1** of their high school graduation year.

1. Complete the front side of this application.
2. Complete an Ivy Tech Application for Admission. Call (317) 921-4800 to have one sent to you.
3. Attach a copy of high school transcripts.
4. Take the Ivy Tech Academic Placement Test (COMPASS) if the SAT or ACT was not taken or if the scores are below the accepted range. Call (317) 921-4800 to schedule a COMPASS test.

Submit all the information above to:
