

IvyJo Journals Index

There are more than 24,000 journals, magazines, and newspapers available online through the Ivy Tech Library. IvyJo allows you to search for specific publication titles and links you to the databases that hold them.

To use IvyJo:

1. Go to the Virtual Library www.ivytech.edu/library/fortwayne
2. In the **SEARCH:** section, click **Journal titles with IvyJo journals index**

BEGIN SEARCHING

As illustrated below in Figure 1, there are several ways to search for publications:

- Search for a specific publication title by choosing **Title Begins With, Title Equals, Title Contains all Words, or ISSN Equals** from the first drop down menu on the page, then enter the appropriate text in the fill in box.
- Browse for a specific publication by selecting the number or letter that the title begins with.
- Search for all publications within one of the following subject areas:
 - ● Art, Architecture and Applied Arts
 - ● Earth and Environmental Sciences
 - ● General
 - ● History and Archeology
 - ● Languages and Literatures
