**Course Requirements:****Attendance, Homework and Tests:**

Students are expected to attend all scheduled classes and are expected to be there on time. Typically, irregular attendance results in poor classroom performance and below average grades.

It is up to the student to make up all work and have it ready to turn in upon returning to class.

If you miss a test, you **MUST** make it up before the next scheduled class. All missed tests will be in the main office. Book and notes can be used on all tests.
