OBJECTIVES

- Objectives are listed at the beginning of each section. These objectives shall be observed upon completion of each section / chapter.

COURSE CONTENT

- This course will complete chapters 1-5 of the required text.

METHOD OF INSTRUCTION

- Internet and discussion board. Students are encouraged to post questions and answers to homework on the discussion board.

ATTENDANCE

- Attendance is **required**. Attendance will be earned through an assessment. You will automatically fail the course if you miss five (5) assessments.

METHODS OF EVALUATION

- The course grade is based on assessments, homework, and exams. Exams will be proctored at the Learning Resource Center of your home Ivy Tech.
- Extra credit is available upon completion of each chapter. Successful completion of the even numbered problems of the SUMMARY AND REVIEW is worth five (5) extra credit points.
- Homework assigned will be collected five (5) times throughout the semester. No late homework will be accepted.

GRADING

- A=90-100%, B=80-89%, C=70-79%, D=60-69%, F=below 60%

- Attendance will comprise 20% of the final grade. Homework will comprise 15% of the final grade. Chapter Exams will comprise 40% of the final grade. A cumulative final exam will comprise 25% of the final grade. All grades will be posted on Blackboard so that you may check your status at any time. Students have one week after a score is posted to dispute a grade.
