Ivy Tech Community College Southern Indiana offers Criminal Justice degree

Ivy Tech Community College Southern Indiana is offering an associate degree level program in Criminal Justice.

Criminal Justice degree courses are conducted through traditional classroom instruction and via the Internet.

Criminal Justice prepares graduates to work in a wide variety of public and private criminal justice facilities and service providers. The degree serves those entering the field, as well as providing education and training to upgrade the skills and knowledge of professionals employed in the field.

The Ivy Tech Southern Indiana campus is located at 8204 Highway 311 in Sellersburg, Indiana. For more information on the Criminal Justice degree, contact the Office of Admissions at 246-3301, extension 4136 or call toll free at 1-800-321-9021. Go online at www.ivytech.edu/sellersburg.

Ivy Tech Southern Indiana is part of the Ivy Tech Community College system. It offers associate level degrees in nursing, computer, business, technology, public services, healthcare, education, and design fields. It also offers a variety of transfer degree options in general studies and liberal studies areas of concentration. The campus had a record enrollment during the Spring 2007 semester with 3,851 students.
