Ivy Tech Southern Indiana launches two College for Working Adults degrees

The Ivy Tech Community College Southern Indiana campus will offer two accelerated degree programs starting with the Fall 2007 semester.

These two College for Working Adults programs are specifically designed to meet the unique needs of adult students who also maintain full-time jobs and responsibilities.

Ivy Tech Southern Indiana has developed an Associate of Science Degree in Business Management accelerated degree that can be completed in less than 18-months.

It also has developed an Associate of Science Degree in Design Technology that can be completed in 24-months. Students can specialize in architectural or mechanical design.

For information on each degree program, contact the Office of Admissions at 246-3301, extension 4136 or call toll free at 1-800-321-9021. Go online at www.ivytech.edu/sellersburg.
