

Dear Prospective International Student:

Thank you for your interest in Ivy Tech Community College. We are a two-year, tax-supported state community college whose mission and goal are to provide accredited post-secondary education focusing on training for careers in technology.

Ivy Tech offers two-year associate degrees. Transfer programs to other U.S. colleges are also available for students wanting to earn a four-year degree. The college is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools.

Everyone who meets the College's open-admission requirements is welcome to attend Ivy Tech Community College. However, Ivy Tech does offer some selective or limited admission programs that have additional requirements that do not guarantee admission.

Please read the enclosed international student admission requirements carefully. No action will be taken on your application and no I-20 will be written until all requirements, including satisfactory financial support documentation, have been received and approved by the College. All application deadlines are firm.

Also included is a contact sheet which lists the International Student Advisors/Designated School Officials from each of our campuses, along with their contact information. Please submit all admissions documents to the campus you wish to attend.

Once again, thank you for your interest in attending Ivy Tech Community College. If we can be of further service, please contact the International Student Advisor/Designated School Official at the campus you wish to attend. The list of campuses and the local contact person is included on a separate page in this packet.

Sincerely,

Brandy Candler
Ivy Tech Community College

DEADLINES

For applicants outside of the U.S.

- **Fall Semester:** All documents MUST be submitted by April 15th prior to the Fall semester in which the student is seeking admission.
- **Spring Semester:** All documents MUST be submitted by October 15th prior to the Spring semester in which the student is seeking admission.
- **Summer Term:** All documents MUST be submitted by February 15th prior to the Summer semester in which the student is seeking admission.

For applicants transferring from a college or university within the U.S.

- **Fall Semester:** All documents MUST be submitted by July 1st prior to the Fall semester in which the student is seeking admission.
- **Spring Semester:** All documents MUST be submitted by December 1st prior to the Spring semester in which the student is seeking admission.
- **Summer Term:** All documents MUST be submitted by May 1st prior to the Summer semester in which the student is seeking admission.

APPLICATIONS WILL NOT PROCESSED UNTIL YOU HAVE COMPLETED AND SUBMITTED ALL REQUIRED DOCUMENTS.

These requirements MUST be completed and submitted to the appropriate International Student contact at the Ivy Tech Community College campus of your choice. Please pay special attention to established deadlines listed below. **Due to high enrollment numbers and limited course availability, students failing to submit completed applications by these deadlines will not be accepted.** Students who are accepted will be notified directly.

APPLICATION FOR ADMISSION

An [application](#) for admission or must be completed and submitted by the student. International students must enroll in a degree or certificate program and have a stated major on file at the College. F1 and M1 students are required to enroll as full time students and complete a minimum of at least twelve (12) credit hours; of which only 3 credit hours can be internet based during the Fall semester and the Spring semesters. Students are not required to enroll in classes during the summer term.

All fees (including insurance) must be paid prior to the beginning of the semester.

International Student Requirement for Admission

The following items must be received and accounted for by the published deadline before a final decision concerning admission will be made. All deadlines are firm. Incomplete applications, as well as those applications arriving after the published deadline, will not be considered. All documents associated with admission should be sent by mail to the attention of the International Student Advisor at the campus you wish to attend.

The requirements for admission to Ivy Tech Community College are:

1. **TOEFL Test:** Ivy Tech Community College uses the TOEFL test as the sole measure for English proficiency. Please refer to the page headed "TOEFL Score Requirements" for minimum score requirements. Or approved English proficiency program
2. **International Educational Document Evaluation:** All educational credentials earned outside the U.S. are subject to a professional evaluation. Please refer to the page headed "Evaluation of International Educational Documents."
3. **Application for Admission:** Applications must be completely filled out, signed and dated. Applications must include a stated academic objective, which includes a course of study and degree offered at the campus where you wish to attend. Applications are free and non-binding.
4. **Proof of Financial Solvency:** Please refer to the separate enclosure in this packet for requirements pertaining to the submission of financial support requirements and tuition/12-month maintenance estimate of expenses.

Important Information about Ivy Tech Community College

College Housing: Not available. International students are responsible for providing their own housing and transportation.

Transportation: Students must have access to reliable personal or public transportation. Ivy Tech is a non-residential college.

Financial Aid for International Students: Financial aid and scholarships for international students are not available.

Employment: Current employment conditions and immigrations laws of the U.S. governing non-quota non-immigrant students do not permit student from abroad to be employed while in the U.S. or to earn any or part of the student's expenses. Unauthorized employment is a violation of immigration status. Employment for the purpose of practical training is limited and subject to the guidelines and approval of the United States Citizenship and Immigration Service (USCIS). Additionally, on-campus work opportunities on the Ivy Tech Community College campus are available on a very limited basis.

Student Health Center: None. Students are responsible for locating their own health care provider. Please see the list of approved doctors available through the College's mandatory health insurance.

Health Insurance: Enrollment in the College's student health insurance plan is mandatory for all international students and their dependents living in the U.S. This requirement may only be waived with a health coverage plan equivalent to or better than the College's plan. Waiver requirements must be met and can only be approved by the appropriate insurance personnel at the College.

Submitting the Application Package

All documents, including application, official TOEFL scores or English proficiency, satisfactory international educational equivalency, and financial support documents should be on file at the college no later than the published deadline of the first term for which the applicant seeks admission. Please send all documents to the address on the enclosed Regional Contact Information sheet for the campus you plan to attend.

English Requirements

Students entering Ivy Tech Community College under an F-1 student visa must provide proof of satisfactory English language proficiency. J-1 English proficiency is program specific. Students whose first language is not English are generally required to take an English proficiency test. They may utilize the Test of English as a Foreign Language (TOEFL), the International English Language Testing System (IELTS), or The Michigan English Language Assessment Battery (MELAB). Acceptable levels of proficiency are listed below. All test results must be received directly from the testing center or verified with the testing center by the DSO. Test results are valid for two years from the examination date.

- TOEFL (iBT) = 79
- TOEFL (PBT) = 550
- IELTS = 6.5
- MELAB = 77

Students who have successfully completed an Intensive English Language Program or Training at an accredited U.S. institution may meet our English language proficiency requirement. These occurrences will be evaluated on a case by case basis by the DSO.

Additionally, language proficiency may be waived if an applicant is from a country who lists English as their official language, as listed in the following CIA [website](#), or has completed secondary school in the U.S. with passing grades in non-ESL English courses, or is a college transfer who has completed standard freshman English, with a grade of C or higher, from a regionally accredited institution.

Areas of Study

Please visit <http://www.ivytech.edu/schools/curriculum-index.html> to review the programs and concentrations offered at each campus.

School of Applied Sciences and Engineering Technology

- Advanced Manufacturing
- Agriculture
- Biotechnology
- Chemical Technology
- Electrical Engineering Technology
- Kinesiology
- Pre-Engineering

School of Business

- Accounting
- Business Administration
- Computer Information Systems
- Computer Information Technology
- Information Security
- Office Administration
- Transportation, Distribution and Logistics

School of Education

- Early Childhood Education
- Education

School of Fine Arts and Design

- Fine Art
- Interior Design
- Visual Communications

School of Health Sciences*

- Dental Hygiene
- Health Information Technology
- Medical Assisting
- Nursing
- Ophthalmic Technology
- Paramedic Science
- Physical Therapist Assisting
- Practical Nursing
- Radiation Therapy
- Radiologic Technology
- Respiratory Care
- Surgical Technology
- Therapeutic Massage

***Most Health Science programs have selective admission. Because of additional admissions requirements, students must apply to our General Studies program while working on prerequisites and additional admissions requirements. Successful completion of prerequisites does not guarantee admission to these programs.**

School of Liberal Arts and Sciences

- General Studies
- Liberal Arts
- Professional Communication

School of Public and Social Services

- Community Emergency Preparedness and Management
- Criminal Justice
- Hospitality Administration
- Human Services
- Library Technical Assistant

- Public Safety

School of Technology

- Automotive Technology
- Aviation Technology
- Building Construction and Management
- Building Trades Apprenticeship
- Construction Technology
- Design Technology
- Electronics and Computer Technology
- Industrial Technology
- Machine Tool Technology
- Recreational Vehicle Repair Technology

EVALUATION OF ACADEMIC CREDENTIALS

As part of the admission process, the College requires all F-1 applicants (including F-1 transfer students) with educational credentials completed outside of the U.S. to apply for a professional equivalency evaluation. The purpose of the evaluation is to determine U.S. educational equivalency. The minimum educational requirement for admission to Ivy Tech Community College is the U.S. equivalency of a high school diploma.

For admission purposes, Ivy Tech Community College requires only a “general” or “document by document” evaluation.

A foreign transcript equivalency evaluation from an approved evaluator is required to indicate the student has attained at least the equivalent of a U.S. high school diploma or transferable college credit. The evaluation (including appropriate fee) is the responsibility of the student. Ivy Tech Community College does **NOT** evaluate foreign academic credentials. The College-approved evaluation agencies must be NACES members. Details about NACES, along with the current list of NACES members can be found at www.naces.org.

The type of evaluation report required by Ivy Tech to document high school equivalency is a general report. However, if a student wishes to transfer in college credit from an institution outside of the U.S., a detailed or subject matter analysis evaluation may be required.

Estimated Annual Expenses for an Associate Degree 2011-2012

F-1 international students are not eligible to receive any state or federal financial aid.

Below are the estimated expenses for a single student, exclusive of holidays, vacations or other travel expenses based on current economic standards. Personal lifestyle choices may increase cost considerably

Tuition* for two (2) semesters \$6,640.50

All F-1 international students MUST register for a minimum of 12 credit hours AND must pay a per credit hour tuition fee of \$230.20.

Fees

1. Technology fee of \$60 per semester \$120.00

2. International Student Fee, \$90 per semester \$180.00

3. SEVIS fee \$200.00

Rent, food, transportation, personal supplies for twelve (12) months. Student or sponsor(s) responsible for housing. \$16,495.50

Books & Supplies** \$1,500.00

Health Insurance \$864.00

Estimated TOTAL Expenses \$26,000.00

**Tuition and fee estimates are based on a course-load of 15 credits for both the fall and spring semesters. Tuition expenditures may vary depending on program of study, level of study, and number of credit hours. Students registering for summer term will incur additional tuition and fee expenses. The College reserves the right to increase fees at any time without prior notification. F-1 students must carry a full course of study (12 credits/semester) to maintain their status. Fees are subject to change without notice.*

***The cost of books and supplies varies by program and course. Estimated expenses do not reflect fees associated with distance education courses (the College charges a \$20 per credit hour distance education fee for Internet-based distance education courses).*

Estimated Dependent Expenses

(In addition to above-estimated single student expenses)

Spouse's living expenses, not Including insurance	\$7,085.00
Each additional dependent's living	\$2,425.00
Health insurance for student + spouse (Mandatory)	\$3,132.00
Health insurance for eligible children (Mandatory)	\$1,560.00

MANDATORY INSURANCE INFORMATION

International students **MUST** purchase the Ivy Tech Community College mandated health insurance plan for the entire period of enrollment as a student at the College. This insurance provides coverage for medical, accident, medical evacuation and repatriation, which will be billed with tuition and fees for that semester of enrollment at the College. Insurance coverage must also be provided for all dependents. Once the student is enrolled in classes, the fee of the insurance will be added to the student's College account. *Upon payment of the insurance fee, the student can obtain their insurance card along with detailed coverage information from the international admissions advisor.*

Students need to submit a signed Mandatory Health Insurance Information form or the [Insurance Waiver Request](#) form prior to the start of the semester. Students requesting the [Insurance Waiver](#) that fail to turn in the waiver form prior to the start of the semester will automatically be charged for the Ivy Tech insurance plan. This form is available on the dropdown box for your intended campus.

Financial Requirements for Student Visas

If you will need an F-1 student visa to attend Ivy Tech Community College, then you will need a Certificate of Eligibility (I-20) to obtain the visa. In addition to meeting admission and English score requirements, you must also document that you have sufficient funds to cover your education and living expenses for the entire period of your enrollment at Ivy Tech Community College. Government regulations require that you show enough money on deposit to pay for your first year's education and living expenses. See "Financial Information for International Students" for current estimates of costs at Ivy Tech Community College-Central Indiana.

Because U.S. Citizenship and Immigration Services (USCIS) regulations limit the employment of non-immigrant international students and their families, you should not expect to use employment as a means of supporting yourself while enrolled at Ivy Tech Community College. You will therefore need to demonstrate support from other sources.

How to certify the necessary funds:

Please carefully follow these instructions. The documents that you must provide vary depending on who will support you. Until all necessary financial support agreements and bank statements are received, signed and dated, Ivy Tech Community College cannot issue an official notice of admission or an I-20. Financial certification of funds must be complete and on file at the College no later than the published application deadline of the first semester of attendance.

If you will be supported by personal funds from family or friends, you must submit an Affidavit of Sponsor form and a bank statement from each individual providing you with financial support. Together, supporters' pledges must show that sufficient funds will be available for the full length of your educational program. Bank statements must total the minimum amount needed to meet the "Total Cost for the Calendar Year" for the first year of study.

If you will be living with family or friends while attending Ivy Tech Community College, you must document this support on the *Affidavit of Free Room and Board* form.

If you will support yourself fully throughout your program, you must submit the appropriate supporting documentation. Please see the Documentation of Financial Support section below for required documentation. You must show that you have available funds on deposit to cover the "Total Cost for the Calendar Year" for the duration of your studies. As an alternative, the College would accept a bank statement showing the total cost for the first year and documentation of a continuing source of the same amount of income, from an employer or from interest or dividends, for the duration of your degree program.

If you will be partially self-supported and partially supported through other sources, submit an *Affidavit of Sponsor* form and bank statement from each sponsor, including you. Your bank statement needs to show enough money on deposit to cover the promised support for the first year.

If you will be supported by a government agency, private business, school or other organization, please have your sponsor write a detailed letter (on official letterhead) which specifies the terms of financial support and includes the information requested on the *Affidavit of Sponsor* form.

Documentation of Financial Support

All funding documentation must be completed, signed, dated and certified by a bank representative and returned to Ivy Tech Community College's International Advisor before the College can provide you with a notice of admission and the documents necessary to obtain your visa. Refer to the enclosed Estimated Annual Expenses section in this packet for more details on financial requirements.

Documentation of Funds

1. Only original documents are accepted—no photocopies or faxes
2. Your name and the sponsor's name must be on all documents
3. All affidavits and bank statements to be dated within six months of the start of your proposed enrollment at Ivy Tech Community College
4. All documents must be written in English; the appropriate bank or government official must verify translations and certify bank documents
5. Bank funds must be translated into US dollars by the bank official

Bank Statements

Each personal sponsor (friends, family or self) must provide an official statement or letter from the bank showing dollars or type of currency on account totaling the total cost for one year of study. If you plan to bring family, your bank statement must show adequate funds for your family member(s) in addition to your own financial requirements. You must either show enough funds on deposit or you must satisfactorily document a source of income equal to the total cost for the duration of your studies.

Affidavit of Sponsor Instructions:

All students must be able to demonstrate the ability to pay for their entire educational program. Unless you have enough cash to support yourself, your studies and you dependents while in the United States for your entire program, your cash will soon be exhausted. You will probably need a sponsor with an income to show that you can finance the entire educational program. A student may have more than one sponsor, however each sponsor must submit an affidavit.

- A student that sponsors him or herself, either partly or in full is required to file the affidavit. Bank statements from the past six months in the student's name must be provided.
- Students that are sponsored by a private or government scholarship board must provide a letter stating how much money is to be given and for how many years.
- If the sponsor is a parent, family member, family friend, U.S. resident and/or other, they must complete the attached Affidavit of Sponsor. The sponsor must also submit the following:
 - A) Statement from an officer of the bank or other financial institution in which you have deposits giving the following details regarding your account:
 - 1) Date account opened
 - 2) Total amount deposited for the past year.
 - 3) Present Balance
 - B) Proof of income, statement of your employer on business stationary showing:
 - 1) Date and nature of employment
 - 2) Salary paid
 - 3) Whether Position is temporary or permanent
 - C) If self employed:
 - 1) Copy of last income tax return filed or
 - 2) Report of commercial rating concern

All questions on the affidavit forms must be answered. Affidavits must be signed by the sponsor in the presence of a notary public, the notary public must sign, and the official seal of the notary public must be on the affidavit. There is notary public in all U.S. embassies and consulates. In the U.S. most neighborhood pharmacists are notaries, as are most lawyers and accountants. There are notaries in all countries though the names of them may be different. They are officials licensed by the national or regional government to take sworn statements for the courts of law or to witness contracts and property deeds.

When a family member or friend near the school gives a student a free place to live and/or meals, the student needs far less in cash from other sponsors. The family member or friend must complete and return the Affidavit of Free Room and Board.

AFFIDAVIT OF SPONSOR

I hereby attest that I am willing and able and will provide no less than
US \$ _____ in cash to the student named below for each year of study at Ivy
Tech Community College.

Name of student _____

My relationship to the student is _____

My full address is _____

The following are all of the persons who are dependent upon me for their housing, food,
or financial support. DO NOT INCLUDE PERSONS WHO SUPPORT THEMSELVES.
DO NOT INCLUDE THE STUDENT NAMED ABOVE.

<u>NAME</u>	<u>RELATIONSHIP TO ME</u>	<u>AGE</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

AFFIRMATION OR OATH

I hereby affirm or swear that the contents of the above statement are true and correct.

Signature of sponsor _____

SWORN AND SUBSCRIBED ME THIS _____ of _____ 20 _____

Signature of Notary _____ {SEAL}

AFFIDAVIT OF FREE ROOM AND BOARD

(TO BE COMPLETED ONLY BY A PERSON WHO OWNS OR
RENTS THE PROPERTY).

I hereby affirm that I own, rent or lease the property described below and that I will make it available without charge and without services in-lieu of payment to the student named for the duration of his/her studies at Ivy Tech Community College.

Name of Student _____

Address; including room or apartment, number of residence offered to the student:

Relationship of sponsor to student _____

How many rooms are in the house or apartment? _____

How much space will be reserved for the exclusive use of the student? _____

Does the sponsor live at the address listed above? _____

Does the sponsor _____ own or _____ lease the property being offered?

All questions above must be answered. This affidavit must be sent with a photocopy of a lease or deed in the sponsor's name.

I hereby affirm or swear that contents of the above statement are true and correct. I agree not to require any services from the student in return for the promised support and understand that it would be a serious violation of the law to require domestic work, child care, or any other kinds of service.

Signature of sponsor _____

Name of sponsor, printed _____

SWORN AND SUBSCRIBED BEFORE ME THIS ____ OF _____ 20____

Signature of Notary _____ {SEAL}

Important!!! SEVIS Information

Please review the attached information regarding the new **SEVIS*** fee which went into effect on September 4, 2004.

If you are applying for an "initial" F-1 visa **from outside the U.S.**, or if you are applying for a **change to F-1 status from another visa category**, you will need to pay the SEVIS fee.

SEVIS fees and other government fees are subject to change without notice. Please visit www.ice.gov for current fee information. Ivy Tech Community College is not responsible for any SEVIS fees, airline tickets, or other expenses that have been incurred by the student if the student is unable to make it to campus in time to attend classes.

***SEVIS** stands for Students and Exchange Visitor Information System
SEVIS Fee Information for F-1 Students

Effective September 1, 2004, F-1 visa applicants are required to pay a one-time fee of \$100 to supplement the administration and maintenance costs of the **Student and Exchange Information System (SEVIS)**. The following information specifically addresses fee issues for F-1 students.

Who pays the SEVIS fee?

- Prospective students with "initial attendance" I-20's dated on or after 9/1/2004 who are applying for an "initial" F-1 visa **from outside the United States.**
- Prospective students with "initial attendance" I-20's dated on or after 9/1/2004 who are applying for **a change to F-1 status from another visa category.**
- Current F-1 students in the U.S. filing for reinstatement after being out of status more than 5 months, and who are issued an I-20 issued for reinstatement that is dated on or after 9/1/2004.

Will other F-1 students in the U.S. have to pay?

No, unless the student's circumstances change so that he or she fits one of the categories mentioned above.

What about my F-2 dependents?

F-2 dependents do not have to pay the fee.

Do I have to pay if I transfer to another school, travel outside the U.S. or renew my visa?

The SEVIS fee is not required when transferring schools, changing to another degree program or level, requesting a program extension, renewing an F-1 visa or using F-1 program benefits such as practical training. If you are in status when you travel internationally and are not physically outside of the U.S. for more than five months, you will not be required to pay the fee.

When do I pay the SEVIS fee?

The fee must be paid at least 3 business days prior to applying for your visa, or applying for admission at a U.S. port-of-entry for those exempt from the visa requirement. The fee must be paid prior to submission of a change or status petition or reinstatement application.

Can I pay the SEVIS fee at a university, consulate or port of entry?

No. The SEVIS fee can be paid at <https://www.fmjfee.com/i901fee/>.

How do I pay the fee?

To Pay Online

Go to <https://www.fmjfee.com/i901fee/>.

To Pay By Mail

1. Obtain a Form I-901 "Fee Remittance for Certain F, J and M non-immigrants." Download the form from www.FMJfee.com
2. Complete the form I-901. Be sure to write your name exactly as it appears on your I-20 form.
3. Prepare a check, international money order or foreign draft (drawn on U.S. banks only-see Note) in the amount of \$100 USD, made payable to "The Department of Homeland Security."
4. Mail the completed I-901 and payment to the address listed on Form I-901.
5. A Form I-797 receipt notice should be mailed within 3 days of processing the fee. Be sure to make copies of your receipt, and keep it with your other important immigration documents.
6. It can be paid by you or by a third party, inside or outside the U.S.

Will the DHS keep a record of my payment on file?

Fee payments should be entered into your permanent immigration (SEVIS) record but it is strongly recommended that you retain a copy of your fee receipt (Form I-797) to use as needed.

I applied to more than one school, and have more than one I-20 form. What happens if I pay the SEVIS fee for one school, and then I change my mind and decide that I want to attend the other school? Is my paid SEVIS fee transferable?

Yes. But you must submit the I-20 form with the SEVIS ID number that you listed on the I-901 form with you to the U.S. consulate/embassy. For change of status or reinstatement applications, please see the next question.

What do I need to do to apply for an F-1 visa, change of status or reinstatement?

Obtain the appropriate form I-20 from a DHS-approved school. Pay the SEVIS fee by mail or online.

Make a copy of the I-797 (mail) or computer receipt (online) for your records. Submit a copy of the I-797 or computer receipt with your visa, change of status or reinstatement application. Students who are exempt from visa requirements, such as Canadians, should take a copy of the SEVIS fee receipt to present at the port of entry with the appropriate I-20. It will not be possible to pay the fee at the port of entry.

What do I need to do to apply for an F-1 visa, change of status or reinstatement?

For change of status or reinstatement questions, if you previously paid the SEVIS fee while attending a different school, you should submit a copy of that school's I-20 form with your application.

What if my F-1 visa application is denied?

The SEVIS fee will not be refunded. However, if you reapply for a new F-1 visa within 12 months of the denial, you will not have to pay the fee again.

NOTE: Many foreign banks are able to issue checks or money orders drawn on a U.S. bank. You may therefore obtain a check from: a) a bank chartered or operated in the United States; b) a foreign subsidiary of the U.S. bank; or c) a foreign bank that has an arrangement with a U.S. bank to issue a check, money order, or foreign draft that is drawn on a U.S. bank.

Transfer Verification Form

Instructions to student: If you are currently attending an academic institution in the U.S., please complete the top section of this form. Take the form to the International Student Advisor at the institution you are currently attending or last attended. Have the International Advisor complete the form and return it to the Ivy Tech Community College International Student Advisor. We cannot process your immigration transfer and issuance of SEVIS I-20 until this form is received in our office.

Student Name: _____

Expected date of entry to Ivy Tech Community College: _____
