

HOSPITALITY ADMINISTRATION

CAREERS IN THIS FIELD

Baker • Chef

Convention Center Management

Cook • Event Planner • Food Preparation

Food Service Manager • Lodging Manager

Meeting Planner • Restaurant Manager

Hospitality is the largest service industry in the U.S., offering a wealth of career possibilities in a wide range of occupations. Ivy Tech's Hospitality Administration program prepares students to welcome and serve business and leisure travelers and event guests. You'll also learn about a variety of hospitality environments, including hotels, casinos, resorts, and restaurants.

CONCENTRATIONS IN THIS PROGRAM

CULINARY ARTS

Ivy Tech's excellent educational kitchen enables us to train you for entry-level positions, such as first, second, or sauté cooks, sous chefs, and garde mangers. The goal is to send you into the food service industry equipped with manual, theoretical, and technical competence.

HOTEL MANAGEMENT

Running a hotel requires skill in a variety of areas, including business, finance, human resources, and marketing. You'll learn how to make guests feel welcome, coordinate schedules and reservations, and provide a clean, comfortable, safe environment.

RESTAURANT MANAGEMENT

Restaurant management training provides you with great opportunities to manage a complex operation and play the lead role in creating a great experience for your customers. This concentration includes courses in hotel and restaurant management, financial management, business, sales, and food and beverage purchasing.

ASSOCIATE OF APPLIED SCIENCE (AAS) DEGREE

Two-year Associate of Applied Science degree programs prepare students for careers, career changes and career advancement. AAS programs may also prepare students for transfer to four-year institutions. The program content, which is approximately 30 percent general education, provides depth and breadth in conceptual and professional/technical skills. Professional/technical courses equip students with the skills to obtain employment and to advance in the workforce.

TECHNICAL CERTIFICATE (TC)

One-year Technical Certificate programs provide education in conceptual and technical skills for specific occupations. Each program contains a sequence of required courses in a recognized concentration within a program.
