CAREERS IN THIS FIELD

Transfer Degree

The Associate of Arts and Associate of Science in Liberal Arts are transfer programs that provide you with an opportunity to complete the first two years of study leading to a bachelor's degree in liberal arts areas. Articulation agreements have been established with all the public, four-year universities in Indiana so that if you complete your associate degree, you may fulfill the requirements for a related bachelor's degree in an additional two years of full-time study at the university.

CONCENTRATIONS IN THIS PROGRAM

ENGLISH AND COMMUNICATION

Ivy Tech's English and Communication concentration focuses on composition, communication, and literature. Sharpen your critical thinking and communication skills and prepare to transfer to a four year college or university English or Communication program.

HUMANITIES

Ivy Tech's Humanities concentration brings together studies in history, literature, philosophy and other related disciplines. Students will learn valuable critical thinking and analytical skills and be prepared to continue on toward a bachelor's degree in Humanities.

LIFE AND PHYSICAL SCIENCES

Our Life and Physical Sciences concentration is designed for students who plan to pursue further study in science. Classroom and laboratory time will prepare you to continue on to a bachelor's degree in the field of your choice.

MATHEMATICS

Study algebra, geometry, calculus, and other topics in math at Ivy Tech Community College, and you'll be ready to move on to a four-year degree in this field.

SOCIAL AND BEHAVIORAL SCIENCES

As a student in Ivy Tech's Social and Behavioral Sciences concentration, you'll study human behavior and social and economic systems in preparation for further study in economics, political science, psychology, or sociology.

ASSOCIATE OF SCIENCE (AS) DEGREE

Our two-year Associate of Science degree program in the liberal arts prepares students for transfer to four-year institutions. General education and liberal arts courses make up all or most of the curriculum.

ASSOCIATE OF THE ARTS DEGREE (AA)

The associate of the arts degree prepares students to transfer to a four-year college or university. The curriculum is almost entirely made up of general education and liberal arts courses.
