

PARAMEDIC SCIENCE

CAREERS IN THIS FIELD

Emergency Medical Technician (EMT)

Paramedic

Through clinical and practical instruction as well as a field internship, you'll be prepared to function in the uncontrolled environment of emergency medicine in the pre-hospital setting. Upon completion, you'll qualify for state certification as an emergency medical technician-paramedic.

Already a certified paramedic? Take just six general education courses, and you'll earn an Associate of Science degree that transfers into four-year degree programs.

HIGHER EDUCATION. LOWER COST. PERFECT VALUE.

Get more for your money with classes that are close to home and a fraction of the cost of other colleges and universities in Indiana. Whether you want to move up in your field or enter a new field, Ivy Tech can help you get the skills you need. And if you want to continue on to a four-year degree, Ivy Tech helps make it affordable. Our credits transfer to many colleges and universities, so you can graduate with the same education and much less debt.

ASSOCIATE OF APPLIED SCIENCE (AAS) DEGREE

Two-year Associate of Applied Science degree programs prepare students for careers, career changes and career advancement. AAS programs may also prepare students for transfer to four-year institutions. The program content, which is approximately 30 percent general education, provides depth and breadth in conceptual and professional/technical skills. Professional/technical courses equip students with the skills to obtain employment and to advance in the workforce.

TRANSFER OPPORTUNITIES

Credits from individual Ivy Tech classes transfer to colleges and universities throughout Indiana—and in some cases, entire programs transfer. Whether you are considering a program with a career in mind or want to save money by starting your bachelor's degree at Ivy Tech, transfer options are a great way to get started.

EARN MORE AND IMPROVE YOUR SKILLS

If you want a good-paying job, you need to invest in your education. With an associate degree from Ivy Tech Community College, you'll earn an average of \$8,000 more each year than you would with just a high school degree. Over the course of your career, this has a tremendous impact on your earning power—a difference of up to \$400,000. As a result, you'll have the chance to explore opportunities that are well worth the time you'll spend in class.
