- stop by room 1255

Projector

Displays either the instructor computer, laptop or document camera onto walltalker whiteboard. Audio is also directed through projector.

Walltalker (whiteboard)

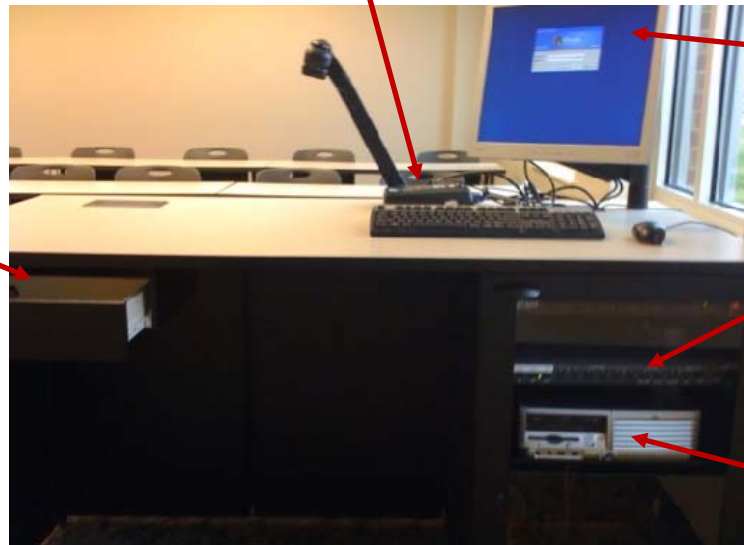

Walltalker is the latest in whiteboards, able to both project and write on the surface. Users must use walltalker brand markers and erasers only. **Supply is checked in each classroom 2-3 times per day.**

Document Camera

Display any item located below camera onto projector. This includes paper, book, transparency, object...
