# Welcome to Commencement!

To our graduates, your families, and your friends, welcome to the day you've been waiting for: Commencement!

Today's ceremony symbolizes the culmination of this part of your journey. It's a day to enjoy the result of long hours spent studying and working hard. You are now part of the Ivy Tech alumni family, and with that role come the rights and responsibilities of upholding the Ivy Tech name. Wear the Ivy Tech name with pride. You are a very important part of our story, and we are here cheering you on in your next step, whether that includes pursuing your dream career or furthering your education.

Everyone who is here today embodies what makes Ivy Tech so special. We truly are a community: one bound by our shared faith in one another and inspired by what we see in each other. I thank you for helping our community grow and for making it something we are all incredibly honored to be a part of.

So now on behalf of the Ivy Tech faculty and staff – Congratulations and let's celebrate!
