PROGRAMS FOCUSED IN KEY ECONOMIC SECTORS

INDIANA’S FASTEST-GROWING INDUSTRIES FOR CREDENTIALED WORKERS

- Healthcare
- Advanced Manufacturing
- Information Technology
- Construction
- Supply Chain and Logistics Management
- Agriculture
Nearly 60% of students are workforce bound after graduating from Ivy Tech.

40% continue to pursue a bachelor’s degree at a four-year partner.
Work Toward Your Career

By 2025, there will be one million high-demand, high-wage jobs available in Indiana. More than half of those careers will require education or training other than a bachelor’s degree, like an associate degree, certificate or other credential you can earn from Ivy Tech. Earn a certificate or an associate degree to give yourself increased marketability in high-demand fields. Many certificates can be completed in less than a year, while associate degrees can be earned in two. Our program offerings quickly prepare you to enter the workforce after graduation.

Transfers that Work

HIGHER EDUCATION STARTS AT IVY TECH
Get a jump start on your bachelor’s degree by earning an associate degree at Ivy Tech. It’s the most affordable way to achieve your goal in Indiana, and more than 25,000 students transfer credits and/or credentials annually. As tuition fees and student debt amounts continue to increase, starting your higher education at Ivy Tech could save you upward of $10,000 in tuition and fees alone, per year.

Transfer Partnerships
Start at Ivy Tech, then easily transfer to in-state partners for your bachelor’s degree.

Ivy Tech has partnerships with many out-of-state partners as well. Learn more at ivytech.edu/transfer.

TRANSFER AS A JUNIOR
Our Transfer as a Junior programs give you the opportunity to transfer your associate degree to a public, four-year institution in the state of Indiana. Once you transfer and meet the receiving institutions’ admissions requirements, you will be awarded junior status. Program options include:

- Business Administration
- Computer Science
- Criminal Justice
- Early Childhood Education
- Electrical Engineering Technology
- Elementary Education
- Human Services
- Informatics
- Mechanical Engineering
- Mechanical Engineering Technology
- Nursing
- Special Education

Learn more about Transfer as a Junior at IvyTech.edu/transferasajunior.

ASAP PROGRAM
With programs like Ivy Tech’s Associate Accelerated Program (ASAP), you can earn your associate degree in just 11 months. This accelerated program is for recent high school graduates or students younger than 22 years old.

Learn more about ASAP at IvyTech.edu/asap.
IVYHONORS PROGRAM

IvyHonors is a two-year honors program, offered at certain Ivy Tech locations, designed for highly motivated students—preparing them for coursework at top colleges and universities. Honors students enter into a tight-knit community of like-minded peers where they are provided with extra support as well as a dedicated honors advisor. By the end of the program, you will earn an associate degree and have the opportunity to transfer to a top school to complete your bachelor’s degree in just two more years.

Learn more about the IvyHonors Program at IvyTech.edu/honors.

2+2 TRANSFER AGREEMENTS

2+2 Transfer Agreements are seamless transfer from Ivy Tech’s two-year associate degree programs to four-year degree programs.

Learn more about transfer opportunities at IvyTech.edu/transfer.

GEN ED TRANSFER

Through Gen Ed Transfer, students can earn their Statewide Transfer General Education Core (STGEC) and earn a 30-hour core of general education courses guaranteed to transfer to in-state four-year partners.

Learn more about the Gen Ed Transfer at IvyTech.edu/gened.

DUAL CREDIT

High school students can simultaneously earn high school and college credits and be on the path to continue at Ivy Tech or transfer.

Learn more about dual credit at IvyTech.edu/dualcredit.

ADDITIONAL TRANSFER OPPORTUNITIES

Ivy Tech offers a variety of ways to make transferring for a bachelor’s degree easy, including incorporating the Statewide Transfer General Education Core (STGEC), also referred to as Gen Ed Transfer, into all curriculums as well as the 2+2 program to transfer agreements.

NEARLY 10,000 DUAL CREDIT STUDENTS TRANSFER CREDITS ANNUALLY
Get to Work Faster

With completion time frames ranging from one semester to two years, hundreds of online classes available and multiple semester start dates throughout the year, you can earn Ivy Tech credentials on your schedule.

The Value of the Ivy Tech Community

Our students graduate ready to succeed in high-value, high-demand careers across Indiana. Because Ivy Tech partners with national and local businesses, we’re able to provide unique opportunities that you won’t get anywhere else.

When you take advantage of what we have to offer, you’ll have access to career-advancing opportunities both in and out of the classroom. From internships to coursework customized by local industry partnerships, to instructors with real-world experience, you’ll be able to take what you learn in class and apply it immediately.

AFFORDABLE TUITION THAT PAYS OFF

Compared to other in-state tuition rates, Ivy Tech is your most affordable option for career improvement or beginning a bachelor’s degree. With an average full-time annual tuition just over $4,200, you can get a high-quality education that will impress employers and save you thousands.

FINANCIAL AID

While Ivy Tech’s tuition is more affordable than other institutions, we understand that sometimes you need help. We offer a variety of financial aid options and will work with you to help you succeed.
Start off by filing your Free Application for Federal Student Aid (FAFSA) to see what kind of federal and state aid you may be eligible to receive. Learn more at fafsa.ed.gov.

To get state-funded aid, you must file by April 15, before the academic year you want to attend. Federal aid is available throughout the year. Be sure to use the Ivy Tech Community College school code when filing: 009917

Ivy Tech has established financial aid priority processing dates for each enrollment period. Find those dates and learn more at IvyTech.edu/financial-aid.

ANNUAL TUITION
JUST OVER $4,200

Scholarships

$6,000,000+ IN GRANTS, SCHOLARSHIPS & STUDENT AID PER YEAR

There are options available for every type of student, and scholarships do not need to be repaid.

With an annual full-time tuition just over $4,200, Ivy Tech puts higher education within financial reach.

Tuition information was sourced from college websites, as of April 2018. All costs pertain to residents of Indiana unless otherwise stated; based on full school year (9 months) at 15 credits/semester. Does not include room and board, additional fees may apply.

*Includes room and board.
A Supportive Community

Ivy Tech Community College is a higher education experience built for you. From interest, to the classroom, to graduation, our community is committed to helping you reach your individual goals. Whether you come to Ivy Tech to quickly advance to a high-value career, or if you are earning your associate degree on your way to a bachelor’s, you will receive dedicated attention from instructors, advisors and faculty in a supportive environment.

FLEXIBLE SCHEDULING

We know life is full of commitments, so flexibility matters. That’s why Ivy Tech offers more than 1,000 online courses as well as multiple start dates throughout the year, so you can find classes that work with your schedule.

SUPPORT THROUGH GRADUATION

We are committed to your success. That means across Indiana you’ll find an Ivy Tech location full of faculty and staff dedicated to helping you finish what you start. In the classroom, you’ll experience small class sizes—22 students on average—and instructors who know life happens. They will work with you to help you succeed so you can earn the credentials you need to get to what’s next.

As part of our commitment to student success, free tutoring services are also available to any enrolled student.
With over 40 locations across Indiana, you can be close to home and the career you want. Whether you are working your way to a different career or starting your higher education journey, getting started is closer than you think.

Learn more at IvyTech.edu.

STUDENT LIFE
Ivy Tech is a place where students can earn skills, learn, get involved and have fun.

- Athletic teams
- Student government
- Study abroad
- Volunteer opportunities
- Internships

Student activities vary by location. Contact your local Student Life office to learn more or visit IvyTech.edu/studentlife.

CAREER DEVELOPMENT
Whether you are starting, changing, or advancing in your career, we can help you reach your goals from day one. The Career Development office at your Ivy Tech location can help you with career exploration as well as advising and planning to ensure you get the information you need. We also offer professional development that includes soft-skill training, support for presentations, professional document preparation including resumes, portfolios and more.

Learn more at IvyTech.edu/career-development.

DISABILITY SUPPORT SERVICES
Our Office of Disability Support Services (DSS) provides assistance to students who require personalized support and accommodations, including note taking and textbook scanning, so everyone can thrive in our community.

Learn more at IvyTech.edu/dss.

VETERAN SERVICES
You’ve served our country; let us make college work for you. With a special military tuition rate of $111.15 per credit hour, Ivy Tech offers additional support, benefit programs and community involvement for students who are veterans.

Learn more at IvyTech.edu/veteran-services.
