YOUR FUTURE DEPENDS ON WHAT YOU DO TODAY
IT’S TIME TO LEARN THE TRUTH ABOUT IVY TECH.

Your funds are limited. Your schedule is crazy. But you need to do something to move yourself forward or make a change. Going to school as an adult isn’t the easiest decision to make. But community college makes your choice easier, by offering you an excellent education at a common-sense cost.

If you’re tempted by Ivy Tech Community College’s affordability, but don’t know the rest of our benefits, keep on reading. And then apply for free, at IvyTech.edu/applynow.

GET SOCIAL WITH IVY TECH.

We love to hear from you and interact with students, faculty and the community through our social media channels. Be sure to connect with us!
Earning a credential doesn't have to take two years, certificates give you long-term marketability in your field by providing you with an education and corresponding certificate that lasts a lifetime. Certificates help you prepare to directly enter the workforce with a skillset, and can be earned in a short amount of time.

The best part? They serve as a foundation for additional trainings and educational courses. With a certificate taking anywhere from 1-3 semesters, you can take the next step sooner than you may think.

Be sure to explore our offerings at IvyTech.edu/certificate.
Sure. In classrooms around the state, you can choose from more than 150 programs. For a full list of programs, visit our website.

(Note: Not all areas of study shown are offered at every campus. See website for details.)

UNIVERSITY/TRANSFER

Ivy Tech offers transfer partnerships with many four-year institutions, including in-state schools, out-of-state schools, private schools, and online universities. Students can pursue transfer programs in General Studies, Liberal Arts, or a number of other programs.

*2+2 Transfer agreements with four-year state schools let you transfer in as a junior after earning your associate degree at Ivy Tech. For more transfer possibilities, see IvyTech.edu/transfer.
I’VE GOT A LOT OF OBLIGATIONS TO JUGGLE. AM I GOING TO BE ABLE TO HANDLE THIS?

College is a big step, and we do everything we can to help you start, succeed, and finish.

- A dedicated advisor will meet with you before enrollment, and help you choose the classes that match your abilities and interests. IvyTech.edu/advising.
- Free tutors can help you improve your general study skills or assist with a specific class. IvyTech.edu/tutoring.
- Our Career Development team can help you choose a career path. And when it’s time to get a job, we’ll help you write a résumé, practice your interview skills, and find employment opportunities.
- Our Disability Support Services staff can accommodate your special needs. IvyTech.edu/dss.
- Our Career Development team can help you choose a career path. And when it’s time to get a job, we’ll help you write a résumé, practice your interview skills, and find employment opportunities.
- Our Career Development team can help you choose a career path. And when it’s time to get a job, we’ll help you write a résumé, practice your interview skills, and find employment opportunities.
- If you need help with the enrollment process, our Express Enrollment Centers can guide you from start to finish. IvyTech.edu/enrollmentcenter.

WHAT IF I’VE GOT WORK EXPERIENCE OR PRIOR SCHOOLING? CAN I TURN THOSE INTO CREDITS?

If you’ve taken college courses at another institution in the past, received workforce training, served in the military, or have other experience related to your field of study, you may be eligible for credits at Ivy Tech Community College.

A Prior Learning Assessment (PLA) will help award college credit based on the knowledge you demonstrate through certifications and licensures, examinations, or portfolios. To learn more about our PLA offerings, visit our website at IvyTech.edu/pla.

You may also have earned college credit if you received dual credit in high school—and you may be able to transfer previous college courses by sending your official transcripts to our registrar’s office at IvyTech.edu/registrar.

Learn more about our affordable costs at IvyTech.edu/tuition.

Source: college websites as of June 2017. All costs pertain to residents of Indiana unless otherwise stated; based on full school year (9 months) at 15 credits/semester.

We offer more than 100 transfer programs with in- and out-of-state schools. Which means transferring your Ivy Tech credits to another college or university has never been easier. Last year more than 31,000 students transferred; if this is something you are interested in, we’d love to talk with you more about your options.

WITH A TUITION COST THAT LOW, CAN I STILL GET A GOOD EDUCATION?

Absolutely. Our credentialed instructors work in the same fields they train students for. And you’ll get the same course content here as you would at any other public in-state college or university. An English 111 class here, for instance, is the same as it would be there.
I CAN’T PAY FOR THIS ALONE. CAN I GET FINANCIAL AID AS AN ADULT?

You might be eligible for a lot more financial aid than you’d expect—including scholarships that don’t need to be paid back. Here are the steps you need to follow (and the dates you need to follow them by) to get the money you’re entitled to receive.

- The Free Application for Federal Student Aid (FAFSA) helps the U.S. Department of Education and financial aid administrators determine your eligibility for federal and state aid. Be sure to complete this form at fafsa.ed.gov, and use Ivy Tech Community College’s school code 009917. To be eligible for state aid, the federal processor must receive your FAFSA on or before April 15 (federal aid is available throughout the year).

- If you don’t qualify for federal or state grant aid, scholarships are still an option. We offer more than $6 million in scholarships and student aid per year. Learn more at IvyTech.edu/scholarships.

- Although you can apply for federal financial aid all year long, Ivy Tech has established financial aid priority processing dates for each enrollment period. You’ll find those dates (and much more helpful information) at IvyTech.edu/financial-aid.

- If you don’t qualify for financial aid, scholarships or grants - you still have options. We offer payment plans that are affordable, convenient and help you get the education you deserve. Learn more at IvyTech.edu/tuition.
