

IVY TECH
COMMUNITY COLLEGE

Ivy Tech Culinary & Conference Center Covid-19 plan to ensure safety and well-being for our visitors.

Ivy Tech Culinary and Conference Center is open for events that comply with social distancing and safety guidelines with the guidance of Ivy Tech's Statewide Public Safety Team and Marion County Health Department.

We are working hard to guarantee the cleanliness of our facilities and health of our employees and visitors. Here are some of the changes you can expect:

Facility

- Face coverings required prior to entering the facility
- Six-foot physical distancing measures for floor plans, seating areas, and crowd management
- Additional hand-sanitizing stations placed throughout the facility
- Enhanced cleanings of restrooms, event spaces and main lobby
- Plexiglass shields at all counters where 1:1 contact happens
- Enhanced training on COVID-19 related practices and protocols for all staff

MBP Catering

- Catering staff will wear masks & gloves at all times
- No self-serve buffets, only boxed meals and served meals
- All beverages will be dispensed by a staff member at an attended station
- Employee health screenings prior to working an event

Please call 317-917-5703 or email jkirby46@ivytech.edu for more information and to book your event. Our entire staff is looking forward to welcoming guests to the Ivy Tech Culinary and Conference Center.
