

How Can You Help Students to Succeed?

“

DON'T LET WHAT YOU CANNOT DO INTERFERE WITH WHAT YOU CAN DO.

”

- JOHN WOODEN

1. Get to know your students by name.

INITIATE ONE-ON-ONE AND FREQUENT COMMUNICATIONS THROUGHOUT THE SEMESTER.

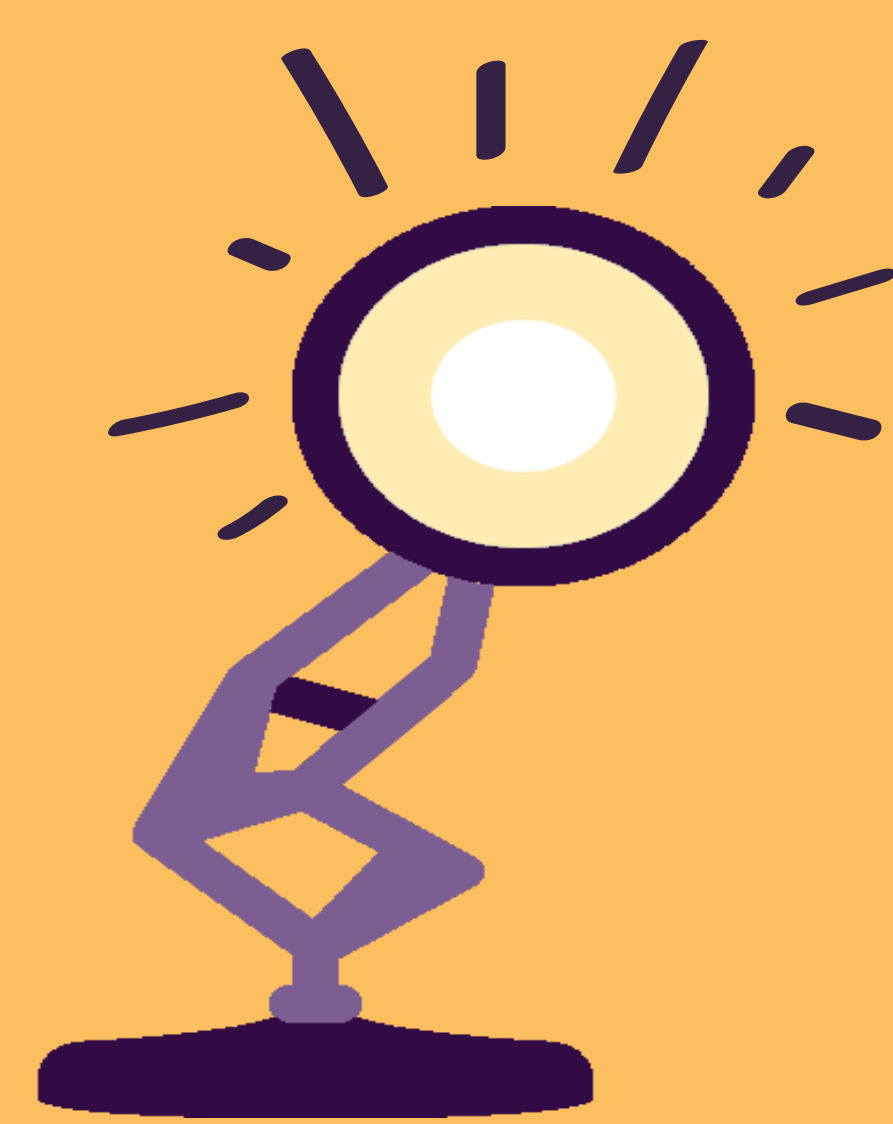

2. Monitor your students and intervene promptly.

PROVIDE TIMELY FEEDBACK ON ASSIGNMENTS AND EXAMS. GIVE STUDENTS AN OPPORTUNITY TO SPEAK TO YOU PERSONALLY WHEN NEEDED.

3. Conduct highly structured courses, but be flexible.

WE HAVE ALL BEEN FORCED TO DEAL WITH UNEXPECTED CHALLENGES. REMEMBER, WE ARE ALL IN THIS TOGETHER!

4. Direct students to resources that will help them succeed.
