C. COMMITTEE REPORTS:

Item 1 Chairman Anker called upon Trustee Michael Dora for a report from the Academics & Student Experience Committee. Trustee Dora reported there were no action items for approval. The Committee received an update from Cory Clasemann provided an update on the College's 8-week course initiative. We continue to see greater student success rates and lower withdrawal rates in 8-week courses, with nearly two-thirds of our courses this fall now being offered in an 8-week format. This fall will also mark the beginning of a new phase of the 8-week course initiative. Each curriculum committee identifies a key course they will analyze for ways in which they can further increase student success.

Rebecca Rahschulte shared data on the projected impact of the HLC faculty credentialing changes on dual credit teacher staffing and the equity gap implications to both dual credit programming and college-going rates for Indiana school districts with the highest number of underrepresented minority (URM) students. Information was shared on the College's Governor's Emergency Education Relief (GEER) grant and the use of funding to provide K-12 Professional Development needed to successfully execute virtual instruction and Curricular Resources to support student remediation and provide virtual access to post-secondary academic content. Through the Lilly Endowment, proposal initiatives include IvyFLEX,
expanded faculty and student supports, dual credit teacher scholarships, and completion incentives.

Item 2  Chairman Anker called upon Trustee Gutman for a report from the Audit Committee. Trustee Gutman reported the Audit committee did not meet, therefore nothing to report at this time.

Item 3  Chairman Anker called upon Trustee Jesse Brand for a report from the Budget & Finance committee. Trustee Brand reported were no action items for approval. The Committee received an update from Matt Hawkins, Sr. Vice President/Chief Financial Officer.

FY 2020 Year-End Financial Position (Jul1, 2019 – June 30, 2020)

- The College's Total Net Position was $869M, an increase of $78.4 million or 9.9%
  - Unrestricted assets grew to $507M, an increase of $61.8 million or 13.9%
- The College continues to plan for State appropriation and enrollment fluctuations through FY 2023
- Operating Margin for FY 2020 was nearly flat from FY 2019
- The College's debt continues to decline, leaving room for additional capital projects if approved by the General Assembly

FY 2021 Budget Update (July 1, 2020 – September 30, 2020)

- Operating revenue is down $10.5M from the plan.
  - Driven by tuition but partially offset by Investment Income
- Operating Expenses are down $2M to plan
  - Driven by S&E spending
  - However, once adjusted for tuition, it would be $2.2M over the plan.

Item 4  Chairman Anker called upon Trustee Andrew Wilson for a report from the Building and Grounds Committee. Trustee Wilson reported there are four action items for consideration and approval. The Committee received an update on the status of the XBE contract spend.

Trustee Wilson moved for approval. Resolution 2020-35, Approval to Sell Property to INDOT for Road Project Muncie Campus. Trustee Garatoni seconded the motion. The motion carried unanimously.

Item 5 Chairman Anker calls upon Trustee Kerry Stemler for the Human Resources & Operations Committee report. Trustee Stemler reported there are three action items for approval.

Jen Fisher, Assistant Vice President for Employee Benefits, presented her annual employee benefits update and review, including current state, outcomes, COVID-19 impact, and Plan Year 2021. Our health plan is still running well with overall claims down 14.4%, and pharmacy costs up 5.5%. Of note, the College extended the EAP program and Your Money Line benefits to part-time staff and adjunct faculty through June 2021. As part of Goal 7 of the Strategic Plan, a new policy was approved for Volunteer &
Community Engagement. Beginning January 1, the College will provide 8 hours of paid time off for our full-time employees annually for community engagement.

Jen also reviewed the RFP process and recommendation for the College's employee benefits brokerage services effective January 1, 2021. The RFP produced 16 respondents and four finalists, including the current broker Gregory & Appel. Through finalist presentations conducted by a team of systems office and campus representatives, LHD Benefit Advisors has been selected to provide brokerage services for three years at the cost of $653,580.

Trustee Stemler moved for approval of Resolution 2020-39, Approval of Contract for College Employee Benefits Brokerage Services. Trustee Dora seconded the motion. The motion carried unanimously.

Laurie Kiser, Executive Director of Risk Management and Insurances, presented an update on our Risk Management & Insurances program. The College saw an uptick of year over year renewal increases that reflect industry trends. Good claims management and history held them lower than expected. Laurie also reviewed the RFP process and recommendation for Risk Management Broker Services effective January 1, 2021. The RFP produced five respondents, including the current broker, Arthur J. Gallaher. Through finalist presentations, Willis-Towers-Watson has been selected to provide brokerage services for the College for five years at the cost of $961,000.
Trustee Stemler moved for approval of Resolution 2020-40, Approval of Contract for Risk Management, and Insurance Brokerage Services. Trustee Glick seconded the motion. The motion carried unanimously.

Secretary Andrew Wilson called roll

Matt Etchison, Sr. Vice President, and CIO presented the College's recommendation to renew its existing ERP contract with Ellucian necessary to maintain the College's current ERP system. Simultaneously, Student, HR, and Finance ERP modules are updated to a cloud-based platform. This is a "3 years by three-year" contract for Banner and Chrome River at a total contract value not to exceed $6,488,778.

Trustee Stemler moved for approval of Resolution 2020-41, Approval of Contract with Ellucian for Enterprise Resource Planning Modules, and Travel/Expense Software. Trustee Garatoni seconded the motion. The motion carried unanimously.

Gretchen Gutman "Aye"
Paula Hughes-Schuh "Aye"
Harold Hunt "Aye"
Jon Barefoot, Vice President Public Safety & Emergency Preparedness, provided a review of a new policy for COVID-19 positivity self-reporting for students, faculty, and staff. A team of case investigators conduct supplemental case investigation to determine if the infected person has been on campus and where. Of the 157 reported cases, 118 had not been on campus in the 48 hours before showing symptoms. Notifications are sent to anyone who was in a shared space without violating social distancing or considered a close contact for awareness. To date, we have not had a case of transmission on our campuses. This can be attributed to the great work our campus teams are doing to ensure adherence to policies and procedures and all students, faculty, and staff to look out for each other during this time.

**Item 6**  
Chairman Anker called upon Foundation President John Murphy for a report on the State of the Foundation. Ahead of goal and optimistic, we will have a good year. The campaign also ahead of schedule. Blackbaud incident, all affected have been notified. Overall the Foundation is in good standing.

**Item 7**  
Chairman Anker called upon Trustee Wilson for a report from the **Workforce Alignment Committee**. Trustee Wilson reported there are no action items for approval. Sr. Vice President for Workforce and Careers Chris Lowery and members of his team, Sue Smith, Vice President of the Advanced Manufacturing sector – covering an update on apprenticeships, Aaron Baute, Vice President of the Business, Logistics, and Supply Chain sector – covering an update on program closures and Stacy Townsley, Assistant Vice President of Workforce and Careers – covering an update on the Taking Hoosiers to the Next Level campaign presented updates:

**Apprenticeship** continues to be in the spotlight, recognized as a tried and true training model providing employers with a highly skilled workforce. Those who complete are internationally recognized for mastery of skills, a trade, or an occupation. We have received three grants in the past few years to expand our apprenticeship programs. Some recent audit findings have allowed us to reimagine and improve our current apprenticeship programs. By expanding, we will increase participation, thus increasing the pool of skilled workers in the state.
Program Review Process: With a continued focus on high-demand/high-wage programs, the College recently completed a series of campus-level reviews of programs that were not performing well, using internal (40%) and external (60%) factors. Root causes for poor performance were discussed, uncovering solutions not previously considered. There was a focus on each community's needs and inter-campus cooperation and coordination to make the best use of our resources to serve each community and the state as a whole. Major elements coming out of the process were the IT School restructure, Insurance industry partnership, and changes needed to address Industry 4.0.

Rapid Recovery Update – Taking Hoosiers to the Next Level Campaign: As part of the College's ongoing partnership with the state to assist Hoosiers who are unemployed or impacted by COVID-19, we have joined forces with the Department of Workforce Development in a first-ever direct "Ivy Tech push" to communicate to over 600,000 DWD clients the opportunity to receive free training in one of 22 Next Level Jobs certificate programs in advanced manufacturing, business, healthcare, IT, transportation and logistics, and building and construction. In order to remove as many barriers to enrollment as possible, the initiative is 100% free to participants through a "first dollar" funding model that also includes books and materials. Prospective students do not need to file a FAFSA and are assisted in enrolling in all of their courses upfront, starting in the second 8-week fall session (October 26) through spring 2021.

• The campaign, which started on September 28, has garnered significant interest, with over 8,000 applications in the pipeline as of October 7.
• Campuses are building upon existing practices and quickly developing flexible new models to accommodate the influx of applications and to scale student supports such as advising and career coaching.

D. TREASURER'S REPORT:

Chairman Anker called upon Matt Hawkins, Sr. Vice President/Chief Financial Officer, to provide the Treasurer's Report.

Ivy Tech's Total Net Position on June 30, 2020, was $869M. This is an increase of 9.9% or $78M. Ivy Tech's Unrestricted Net Position was $507M on June 30, 2020. We expect revenue fluctuations over the next three fiscal years.

As of quarter 1 of FY2021, Ivy Tech's revenue is $10M under budget. This is due to tuition being down $13M and investment income being up to $3M.

As of quarter 1 of FY2021, Ivy Tech's expenses are about $2M under budget. If the fall enrollment adjustment were to occur now, we would be trending $2.2M over budget.
This overspend is expected as the institution planned to absorb the state cut for the campuses. Ivy Tech's financial position is strong.

Trustee Garatoni moved for approval of the Treasurer's Report. Trustee Glick seconded the motion. The motion carried unanimously.

E. **STATE OF THE COLLEGE**

Chairman Anker called upon President Ellspermann to provide her state of the College report.

President Ellspermann introduced interim Chancellor, Anderson Campus Mia Johnson. Shared exciting news about Ivy Tech serving as host for the inaugural World Food Championship in September. Operational update regarding COVID-19 student relief efforts and the Glick/Woods match raising more than $1.2M. It was noted Ivy Tech is the only College in the nation using CARES Act funding to purchase Cengage Unlimited for the entire student body. This is a direct benefit to students to continue to help them during the pandemic as more than a quarter of students don't purchase their books during normal times. This college-wide subscription provides access to Cengage's entire library. President Ellspermann provides other college updates around metrics, Central Indiana Restructure, and being awarded a $5M grant through 2020 to create IVY Achieves; a program created focusing on equity.

Doneisha Posey, Vice President of Diversity, Equity, and Belonging, provided an annual report and announced the creation of the William R. Goins Spirit of Diversity Award recognizing Ivy Tech faculty and staff whose service contributes to the development of a
diverse, equitable campus community with a sense of belonging for all. Honorees will receive a $2,500 grant to further the College's diversity initiatives and will be announced during the February 2021 State Board of Trustees meeting.

F. OLD BUSINESS

Chairman Anker called for old business, but there was none.

G. NEW BUSINESS

Chairman Anker called for new business.

Trustee Glick moved for approval of Resolution 2020-42, Appointment of Campus Board of Trustees. Trustee Garatoni seconded the motion. The motion carried unanimously.

STATE BOARD OF TRUSTEES OF
THE TRUSTEES OF IVY TECH COMMUNITY COLLEGE OF INDIANA
AUTHORIZING THE ISSUANCE AND SALE OF ONE OR MORE SERIES OF
IVY TECH COMMUNITY COLLEGE STUDENT FEE BONDS,
FOR THE PURPOSE OF REFUNDING CERTAIN PRIOR DEBT
AND CERTAIN RELATED ACTIONS

RESOLUTION NUMBER 2020-47

WHEREAS, The Trustees of Ivy Tech Community College of Indiana (the “College”) has full power and authority under and by virtue of the laws of the State of Indiana (the “State”), including Indiana Code 21-34-6 through 10 and Indiana Code 5-1-5 (collectively, the “Act”), to issue bonds secured by student fees, for the purpose of financing and refinancing educational facilities authorized under the Act; and

WHEREAS, the College has heretofore executed and delivered to U.S. Bank National Association, as trustee (the “Trustee”), a Trust Indenture dated as of November 1, 1985, which has previously been supplemented and amended (the “Indenture”), for the purpose of securing its student fee bonds issued from time to time thereunder; and

WHEREAS, the Indenture authorizes the issuance of additional student fee bonds by the College to provide funds for any lawful purpose under the Act, including the refunding of all or a portion of its outstanding student fee bonds; and

WHEREAS, the College now desires to: (i) authorize the refunding, in whole or in part, of certain outstanding student fee bonds set forth in Exhibit A hereto (the “Refunded Bonds”) in order to generate debt service savings and (ii) pay any costs of issuance and other costs incidental to the issuance of such student fee bonds; and

WHEREAS, the purpose stated in clause (i) of the preceding paragraph is referred to herein collectively as the “Refundings”; and

WHEREAS, the Treasurer of the College (the “Treasurer”) has obtained or will obtain all necessary approvals from the Indiana General Assembly, the Commission for Higher Education, the State Budget Agency and the Governor of the State of Indiana, as applicable, along with any other approval necessary to implement the Refundings; and

WHEREAS, there has now been submitted to this State Board of Trustees (the “State Board”) forms of Supplemental Indentures (collectively, the “Supplemental Indentures”) and forms of Bond Placement Agreements (collectively, the “Bond Placement Agreements”), all in connection with the issuance of one or more series of the Ivy Tech Community College Student Fee Bonds (the “Bonds”);

NOW, THEREFORE, BE IT RESOLVED BY THE STATE BOARD THAT:

Section 1. The issuance of the Bonds by the College on the terms and conditions set forth in the respective Supplemental Indentures are hereby authorized. The Bonds shall be
designated “Ivy Tech Community College Student Fee Bonds, Series X” (to be completed by the Treasurer with any such appropriate series or sub-series designation), with such additions thereto or deletions therefrom as the officer executing the same shall approve. The Bonds shall be issued in one or more series or sub-series, in an aggregate combined principal amount that does not exceed the amount necessary to defease the Refunded Bonds to be refunded, plus amounts necessary to provide money for debt service reserves (if any), credit enhancement (if any) or other costs incidental to the issuance of the Bonds. The Bonds shall be issued in the forms and upon the terms and conditions, at the rate or rates of interest and in the authorized denominations set forth in the Supplemental Indentures and acceptable to the Treasurer.

Section 2. The Bonds, as issued with such serial or term maturities and redemption features as the executing officers shall approve, shall bear a maximum interest rate not to exceed 3.00%. The interest shall be payable at such intervals as may be provided in the Supplemental Indentures. The final maturity of the Bonds shall not exceed the final maturity date of the latest defeased Refunded Bond. The Bonds shall be sold pursuant to the Bond Placement Agreements to one or more banks or financial institutions (each a “Purchaser”) chosen by the Treasurer upon advice of the College’s municipal advisor with Stifel Nicolaus & Company, Incorporated serving as the placement agent.

Section 3. The Treasurer shall make necessary findings required by statute, on behalf of this State Board, that: (i) the Bonds, as issued, shall produce a net savings to the College and (ii) the terms of the Bonds shall not extend beyond the term of the final maturity date of the latest corresponding defeased Refunded Bond for the respective series or sub-series of Bonds.

Section 4. The Supplemental Indentures are approved, in substantially the forms submitted to this State Board. The Chairman (the “Chairman”) or Vice Chairman of the College (the “Vice Chairman”) are, and each of them is, hereby authorized to execute and deliver, and the Secretary of the College (the “Secretary”) or the Assistant Secretary of the College (the “Assistant Secretary”) are, and each of them is, hereby authorized to attest the signature of and, if required, to affix, imprint, engrave or otherwise reproduce the corporate seal of the College on the Supplemental Indentures, with any changes in form or substance that the officer executing such documents shall approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 5. The Bond Placement Agreements are approved in substantially the forms submitted to this State Board. The Chairman, Vice Chairman or Treasurer, or any of them acting individually, is hereby authorized to execute and deliver the Bond Placement Agreements, with any changes in form or substance that the officer executing such documents shall approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Section 6. The Treasurer or the Assistant Treasurer of the College (the “Assistant Treasurer”) is hereby authorized, to prepare the bond forms, as approved by this State Board, required for use in the issuance of the Bonds, and to cause the same to be executed manually or by facsimile by the proper officers of the College as provided in the Supplemental Indentures. Upon execution of the Bonds, the Treasurer or the Assistant Treasurer shall deliver the Bonds to the Trustee for authentication and, upon authentication, the Treasurer or the Assistant Treasurer is
authorized and directed to deliver the Bonds to the Purchasers thereof upon payment of the purchase price.

Section 7. The Chairman, Vice Chairman, Treasurer, Assistant Treasurer, Secretary or Assistant Secretary are, and each of them is, hereby authorized and directed to perform any and all further acts, to execute and deliver the Bonds, the Supplemental Indentures, the Bond Placement Agreements, to execute and deliver any and all further agreements, documents, certificates or instruments (collectively, the “Financing Documents”), or to do any other acts necessary or convenient in order to complete the Refundings contemplated by this Resolution and the other matters referred to herein.

Section 8. The State Board hereby authorizes the execution of the Financing Documents in counterparts by the executing officers by Electronic Means (as defined below), all of which counterparts taken together shall constitute one and the same respective instrument. Moreover, the State Board acknowledges and agrees that the Financing Documents may be signed and/or transmitted by e-mail or as .pdf documents or using electronic signature technology (e.g., via DocuSign or similar electronic signature technology) (“Electronic Means”) and that such signed electronic record shall be valid and as effective to bind the party so signing as a paper copy bearing such party’s handwritten signature.

Section 9. The State Board hereby ratifies the selection of, and appoints: (i) Ice Miller LLP, Indianapolis, Indiana, as bond counsel for the Bonds, (ii) Stifel Nicolaus & Company, Incorporated, as placement agent for the Bonds and (iii) Blue Rose Capital Advisors, as municipal advisor for the College related to the Bonds.

Section 10. The Treasurer is hereby authorized to cancel or defer the effectuation of either or both of the Refundings as approved by these Resolutions, if the Treasurer concludes in his discretion upon advice of the College’s municipal advisor, that it would be in the best interest of the College to do so based on any combination of national or world events which disrupt the financial markets or substantially change market conditions.

Guaranteed Admission

How Guaranteed Admission Improves TSAP

• TSAP—A Great Program...BUT
  • Limited to specific program areas
  • Creates no specific incentive for student achievement while at Ivy Tech
  • Leaves considerable uncertainty for students concerning their admissibility to their school of choice
  • Legislatively mandated participation has created a uneven range of understanding levels among faculty and staff

• Guaranteed Admission
  • Available on any two-to-four year transfer pathway identified by the four-year partner for inclusion—not limited to TSAP program areas
  • Incentivizes students to academic excellence—2.5 or 3.0 cumulative GPA required for guaranteed to be effective
  • Provides certainty of a clear path from associate degree to bachelor’s, as long as students meet the GPA requirement
  • Concept is simple—incoming students and advisors can see which programs are available for guaranteed admission at which institutions and have a clear plan for transfer before they begin at Ivy Tech
  • Four-year partners had flexibility to determine whether to participate and what programs to identify for inclusion. This autonomy led to agreements being developed with a spirit of collaboration instead of coercion.

Additional Relevant Information

• All state-supported institutions have identified guaranteed admission programs, including WGU and Purdue Global. Two currently are in progress—all others are complete.

• Number of programs included per University ranges from 3-25

• Some institutions have already expressed interest in adding programs

• In 2020-21, we are initiating conversations with ICI schools and anticipate several will participate

Questions & Feedback
Higher Learning Commission Update

Marcus Kolb
Assistant Vice President for College Accreditation, Learning Assessment, and Academic Quality
Higher Learning Commission Update
Findings from the 2019 visit, and our work to address them.

• **Improve assessment of student learning, including:**
  • Systems for data collection
  • Development of program-level learning outcomes across all credentials
  • Use assessment data for improvement
  • Generate a comprehensive report on assessment, to supplement the mid-cycle arguments

• **We have:**
  • Drafted a comprehensive assessment plan, including timelines
  • Built general education assessment model
  • Set data reporting schedules and professional development targets
  • Posted Director of Assessment position
Higher Learning Commission Update

Findings from the 2019 visit, and our work to address them.

- **Dual credit credentialing needs to meet 2023 standards**
  - Designing and testing new models for dual credit and high school faculty
  - Martin University partnership

- **Quadrant “effectiveness” should be measured**
  - Quadrant adjustment process has been mapped and implementation has begun

- **Improve response rates on student evaluation of instruction**
  - Simplex convened to innovate solutions
Higher Learning Commission Update

Findings from the 2019 visit, and our work to address them.

• Holistic placement (Knowledge Assessment) data should guide placement work
  • First report comparing Accuplacer approach with KA has been generated

• Board compositions should better reflect student and state demographics
  • Working with campus boards and advisory boards first, including better data on board composition

• Communication channels should be sharpened
  • COVID-19 has proven a good test of our communication skills and provides good evidence of how well our communication with stakeholders can work
Higher Learning Commission Update

Believe it or not, it’s time to get ready for our mid-cycle review.

- For institutions on the 10-year, Open Pathway, there is a mandatory four-year interim review where we will:
  - Host a one-month, virtual visit in late 2022 or early 2023
  - Submit revised arguments
    - Arguments to include a specific report on assessment work

- A systems-level team has been identified to steer the preparation process
  - Revised arguments will directly address the changes and interventions we have implemented since the last visit – we need to signal we heard the critiques and are responding to them

State Board of Trustees
AGENDA

1. FY 2020 Financial Report and Audit
2. Accounts Receivable Write-Offs
3. CHE Budget Recommendation
4. Bond Refunding- Series X
5. FY 2021 Budget Update
6. Nishida Services Contract
The State Board of Accounts issued an unmodified opinion for the 2020 fiscal year financial statements.
ACCOUNTS RECEIVABLE WRITE-OFFS
Why it matters

• Accounts receivable must be evaluated periodically to determine probability of collection
• The recommended practice is to write off student accounts that will not be collected within one year
FY 2020 Write-Offs by Source

- Tuition & Fees: 83%, $5.3M
- Bookstore Debt: 17%

Total Write-Offs: $5.3M
PERFORMANCE FUNDING METRICS

FY 2019-21 Budget Period vs. FY 2021-23 Budget Period
How Performance Funding Works

1. Units are awarded based on improvement and enrollment
2. Improvement is measured over a six year timeframe
3. Per-unit dollar values are assigned to each metric

“Skills Academy” Model Development

• Goal: to closely align non-credit and credit offerings through skills mapping, employer partnerships, and student supports
  o Boosts stackable credential pathways
  o Informed by 10K initiative this past spring/summer

• Skills Academy concept is shaping development of micro-credentialing pathways for IT, Adv. Manufacturing, and Supply Chain/Logistics with Education Design Lab (EDL) support
  o Ivy Tech 1 of 6 institutions nationwide selected to participate in EDL’s Community College Growth Engine Fund
  o Rollout late spring/early summer 2021
Ivy Tech awarded CARES Act funding from Governor’s Workforce Cabinet to further expand and standardize Prior Learning Assessment (PLA) opportunities for adult learners.

Working with Council for Adult and Experiential Learning (CAEL) to expand by sector, starting with School of Business.

Our goal is to dramatically scale the use of PLA for adult learners at Ivy Tech as a way to honor and apply their experience toward a credential and help them complete faster.
Bridges of Hope
Community- and Faith-Based Organizations Strategy

• Exploring deeper engagement opportunities with community- and faith-based organizations (CBOs/FBOs) and employers

• Focus on adults
  o Relief
  o Opportunity
  o Transformation

• Begin with *Taking Hoosiers to the Next Level (THNL)* students
  o Co-case management model between Ivy Tech, CBO/FBO, and employers
  o Create cohorts of adult student by neighborhood
  o Informally piloting in Indianapolis, Madison, Muncie
Partnering and Adjusting for the Indiana Economy

DR. AARON BAUTE
VICE PRESIDENT OF BUSINESS, LOGISTICS, AND SUPPLY CHAIN MANAGEMENT
Partnering and Adjusting for the Indiana Economy

• Insurance Industry Partnership
  • Over 30 industry members
  • Reduced credits from 21 to 9
  • Courses align to the industry training standards AINS 21, 22, and 23
  • Certifications in the industry were cross walked for academic credit
  • Enrollment increased from 3 students to over 120 in one semester

• Library Technical Assist Program Closed Statewide
  • Library Technical Assistant Program was identified as a statewide candidate for closure
  • Cost was a factor
  • Scored lowest on the program closure tool for almost every single campus
  • Resources used for this program can be deployed to support other programs
Partnering and Adjusting for the Indiana Economy

• Supply Chain Management:
  • CDL Plus CT approved by Department of Education and is being started in Spring in partnership with the Indiana Motor Truck Association, Conexus, and Venture Logistics
  • Supply Chain Management program has benefited greatly from the partnership with the Department of Workforce Development
  • Enrollment has almost doubled in program over past five years
Health Sciences and Nursing
Online Application Project

MARY ANNE SLOAN & DR. NICHOLE STITT
VICE PRESIDENT OF HEALTHCARE & STATEWIDE NURSING and
ASSISTANT VICE PRESIDENT OF CURRICULUM
Prospective Nursing & Health Sciences Students – Where Do They Go?

- 22,134 students enrolled in spring 2019 in health related program of study.
- 6,400 (28%) students enrolled in spring of 2019 in Health Sciences or nursing interest are no longer at the College in Fall 2020.
- 25% of students enrolled in fall 2018 did not register in spring 2019.
Current State – Health Sciences

- 12* Health Sciences Select Admission Programs at 18 campuses
- All Select Admission programs utilize PAPER applications
- Each campus, each program is independent of each other
- Each program has their own pre-reqs, weighting of “scores” and application deadlines
- All processes in the application process are manual
- Students can only apply for one campus/program at one time
- No way to efficiently track students that are not accepted
Current State – Nursing

- 18 campuses
- “Home Grown” online application developed 6 years ago
- 4 applicant “rounds” over one month
- Pre-reqs, weighting of “scores” and application deadlines different than health sciences programs
- Students can select as many campus sites as desired to apply
- Students not selected may be referred to other programs at their “home” campus but not a formalized state-wide process
- Nursing application process and deadlines are first then Health Sciences follows
Future State Highlights

- One on-line application for Nursing and all Health Sciences Limited Enrollment/Select Admission programs
- One application deadline for all programs
- Applicants will receive text & e-mail reminders to complete applications
- Applicants will be able to select more than one program and three locations within each program to apply
- Applicants will have the choice, if selected by more than one program, which program they wish to attend
- Applications will be viewable statewide
- Messaging will be sent to advisors related to those students who do not get into their requested programs so immediate intervention can occur
Program and Statewide Alignment

- Application Open and Close Dates - March 15 - May 15
- Prerequisites
- Weighting of Entrance Exam
- Certification Points

PRESENTATION TO THE
State Board of Trustees
President’s Report

December 3, 2020
Ivy Tech/Martin University Partnership
Why should we partner?

| Support Martin and its role in community | • Martin is the only institution of its kind (PBI) in Indiana and serves as a hub of the Martindale-Brightwood community |
| Increase Ivy Tech competencies in serving students of color | • As Ivy Tech looks to reach more students of color, and serve them more effectively, Martin can teach us about how to serve these students |
| Contribute to Indiana higher ed ecosystem | • Ivy Tech and Martin can strengthen the other’s standing in the Indiana higher education community and provide new opportunities for both to expand their unique responsibilities |
| Support Ivy Tech students of color by providing new destination with enhanced partnership | • Many Ivy Tech students would be excellent candidates for study at Martin |
| Both Martin and Ivy Tech are investing new ways to combine work and study for students | • Martin is building Martin WORKS as Ivy Tech expands Career Coaching and Employer Connections (CCEC) |
Key principles

- Outcomes should bring value to both institutions.
- Short term interventions for student enrollment and success are ideal.
- Interventions and programs are to be collaboratively designed, using faculty and staff from both institutions.
- External stakeholders, including ICHE, funders, governor, and the legislature have expressed interest in seeing a partnership prosper.
Partnerships

Guaranteed admission programs - Spring 2021 start

- First-of-its-kind guaranteed admissions agreement between an ICI school and Ivy Tech in the state of Indiana

Accelerated Education bachelor’s degree - Fall 2021 start

- Goal to increase teachers of color in Indianapolis, in particular
- Combine Indianapolis campus’ ASAP in education program with accelerated Martin bachelor’s degree for three-year teaching credential
- Next steps:
  - Faculty collaboration for program development
  - Marketing
  - Identifying and recruiting prospective students

Expand existing transfer degrees to guaranteed admission - Spring 2021 start

- Accounting, Business Administration
- Criminal Justice
- Early Childhood Education
- Teach Preparation
Partnerships

Cyberentrepreneurship bachelor’s degree - fall 2021 start

- Ivy Tech’s ASAP version of cybersecurity credential coupled with Martin’s entrepreneurship training
  - First of its kind credential in Indiana
  - Acknowledged as highly desirable set of skills by industry
- Ivy Tech and Martin faculty collaborating on program design and delivery
  - Use both campuses
  - Build Martin’s infrastructure to deliver cybersecurity training
  - Accelerated model with potential “work and learn” approach
- Next steps:
  - Ongoing meetings of stakeholder from both institutions, to include industry experts
  - Solve issues of tuition, location, student supports
  - Market program to relevant audiences; find financial support for faculty and technology
Partnerships

Dual credit teacher credentialing - first cohort fall 2021

- Can we use Martin’s capacity to deliver graduate education to address credentialing needs of our dual credit faculty?
  - Ivy Tech has nearly 1000 Indianapolis area dual credit high school faculty that require credentialing, by HLC standards, between now and 2023

- Next steps:
  - Use curriculum inventory to identify what Martin offers that we need
  - Offer our credentialed instructors to Martin to teach additional, key courses
  - Focus groups with local HS faculty to determine ideal program structure; district-level K-12 administrator fact-finding
  - Market to high school dual credit instructors and find financial support
Partnerships

Center for Racial Equity and Inclusion - Spring 2021 start

- Tentative launch January 18, 2021
- Doneisha Posey, Ivy Tech’s Vice President for Diversity, Equity, and Belonging, named to advisory board
- Anticipate center for central Indiana education and business needs in areas of diversity and equity
  - Ivy Tech faculty/staff will participate in professional development workshops, lectures, seminars, and other development activities focused on topics related to diversity, equity, and inclusion
- Collaboration between Martin and Ivy Tech’s Office of Diversity, Equity and Belonging as it relates to higher education, data-driven decisions, and academic support
Announcement

Friday, December 4, 1pm - Martin University Gathertorium

Featured speakers: Commissioner Teresa Lubbers, ICHE
Commissioner Fred Payne, DWD
Indianapolis City-Council President Vop Osili
Independent Colleges of Indiana President David Wantz

Purpose: Signing of joint resolution to formalize partnership, while publicizing work to key workforce, educational, political, and funding partners in the region

COVID-19 Operational Update
COVID Updates

• We continue to see increased reporting of COVID-19 cases to the College, in parallel to rise throughout Indiana

• Our approach has been targeted and data driven

• We have seen a limited number of programs “pausing” or moving to virtual
  • All non-lab based instruction that was not already virtual, was moved virtual as of November 30

• Limited in-person student services remain available at each campus

• Various campuses have already begun partnering with local health departments and health care systems for vaccine distribution
  • This is in addition to continued hosting of COVID-19 testing sites
Student Relief Efforts – Glick/Woods Match

Raised more than $1.2M from 1,275 donors!

$905,936 spent or encumbered to-date
  • More than 1,000 students assisted

Areas of assistance:
  • Tuition, Books, Fees
  • Living Expenses
    • Housing, Utilities, Auto and Insurance
  • Food and Gas Cards
  • POD7 Laptops – South Bend/Elkhart
  • Expanded Broadband Access - Madison
CARES Act - Student Grants

• Cover any costs associated with significant changes to the delivery of instruction due to coronavirus

• $16.5 million direct to more than **33,800 students**

  • 90% via a formula based on unmet need and the remainder via an application process

  • **23% distributed to minority students** (who make up 15% of the student body)
CARES Act - Institution

Textbook Costs Outpacing Inflation
Cost Increase Since 2001

- $16.5 million received
- **Student focused**
  - **Cengage** $5M (up to $10M if extended)
  - Web cams
  - Hot spots
  - Computers
  - Faculty pay to transition to online
  - PPE

How Does Ivy Tech Compare to National Trends?

The National Student Clearinghouse reported community college enrollment:

• Overall down 9.5%
• Freshman down 19%
• Minority students down 30%

Community Colleges primarily online prior to the pandemic are up 6.1%

Spring 2021 Enrollment Update

- Express Enrollment Week: December 1-4
- Express Enrollment Week: January 5-8
- Academic advisors and faculty conducting individual outreach to current students
- Increasing advising capacity with “drop in” advising appointments for students
Taking Hoosiers to the Next Level

The “Why”

• Central to our mission as Indiana’s community college to skill up Hoosiers, especially during times of unemployment
• Goal is to increase enrollment
  • Enrollment was 13% down in the first 8-weeks
• We reduced the gap by nearly 2% with 8-week offerings outside of Next Level, but that was still a more than $10M shortfall in funding for campuses
• If we enrolled the Hoosiers who have expressed interest, we had the opportunity to eliminate most of that gap and set ourselves up for a strong spring semester
Taking Hoosiers to the Next Level

Over 2,700 enrollments

Nearly 10,000 applications

66% Female
36% Black, African American, Hispanic, Latino, or Multiracial
52% Ages 25-54

38% Business
24% Information Technology
20% Health Sciences

12% Advanced Manufacturing
5% Transportation & Logistics
After Action Report

Each campus was tasked with providing a campus specific after-action report.

Surveys were sent to frontline employees on what worked, what didn’t, and why.
Over 400 responses.

What Worked

- Dedicated and involved team members
- Virtual communication and group briefings
- Sharing documents while having the same owner throughout the process

Areas for Improvement

- Pace of the project
- Access to student resources
- Lack of communication
- Lack of training
- Student first planning
Is This The End Of College As We Know It?

Key Takeaways

• Faster, cheaper, specialized credentials closely aligned with the labor market
• Millennials are the most educated generation in the nation’s history, but also the most debt ridden
  • Will they see value in sending their children to four-year establishment?
• 1 in 4 HS students who begin at a four-year will finish
• Enrollment in short-term credentials classes during the pandemic increased by 70%, to nearly 8 million, over the same period last year, while freshman college enrollment dropped by 16%
• Apprenticeships are expanding beyond trades into white-collar industry
• Google offering 100,000 scholarships for a six-month online certificate they will treat as equivalent of a four-year degree

Looking Forward

These trends will be brought to our strategy development sessions for Goals 1, 2 and 4 in January

• Increased emphasis on stackable credentials
• Tailored messaging to highlight current offerings
• Targeting adults who were forced out of the job market due to the pandemic
• Incorporating community partners in recruitment strategies

Campus Program Review

• Align with statewide industry sector strategies
  • School of Information Technology
  • School of Business
  • School of Advanced Manufacturing, Engineering and Applied Science
  • School of Health Sciences

• Inter-campus cooperation for lower enrollment programs
  • Anderson and Muncie – Criminal Justice and Human Services in Muncie to allow Anderson to focus on Advanced Manufacturing programs
  • Lawrenceburg and Madison – Lawrenceburg suspending Paralegal and Networking; Madison is suspending Human Services and Criminal Justice.
  • South Bend and Valparaiso – CDL offered out of Laporte to serve both campuses; Surgical Technology will primarily be delivered out of Valparaiso
  • Columbus – Supply Chain host campus for greater southeast part of the state
