Public Safety and Emergency Preparedness

**SEEK SHELTER**
- Move to an interior room on the lowest level
- Stay away from windows and exterior doors
- Listen to a weather radio or weather app for updates
- Stay away from hazardous materials

**STAY CLEAR**
- Call 911
- Provide the location, nature of injury or illness, current condition of the victim and other requested information
- Do not move the victim unless in immediate danger
- If trained–administer first aid, CPR/AED

**REMAIN CALM**
- Get as much information as possible from the caller–location of device, what it looks like, what will cause it to explode
- Note background sounds, gender of caller, and any notable characteristics of the caller’s voice
- Call 911
