The degree allows graduates to apply to teacher education programs at four-year institutions to pursue a bachelor’s degree in Elementary Education, grades K-6, and seek an Indiana public school teaching license. By completing a Transfer General Education Core Certificate of 30 credits, as part of your coursework, and your Education courses, you will be ready to enter baccalaureate degree programs as a junior.

**Degrees & Certificates Offered (Terre Haute):**
Associate of Science (AS)

**Typical Careers:**
- Tutoring Programs
- Special Needs Support Personnel
- Youth Services
- Support Staff in Various School Corporations
- Public and private agencies serving school-age children

For a list of employment possibilities visit [www.doe.in.gov](http://www.doe.in.gov)

**License Renewal:**
Courses may be used to renew a current teaching license when used as continuing education.

**POINTS OF PRIDE**

- Many graduates, upon completion of their teaching degree, have had the opportunity to be employed as teachers in the Wabash Valley.

- The entire Elementary Education degree (60 credits) is accepted by Indiana State University through the Transfer as a Junior (TSAP) pathway. Nearly 99% of our graduates transfer to Indiana State University as juniors.

- Students can observe and receive hands-on experiences in area schools during their first term.

- Students completing an Ivy Tech degree are given 50% discount off tuition at St. Mary of the Woods College.

- Students participate in a Praxis Core information session prior to transferring to a four year institution. Praxis Core is a basic skills test in reading, writing, and math for pre-service teachers.

- Students have the opportunity to help local children and teachers in the community through various projects and activities by joining the IVY-S.E.A. (Student Education Association).
