With an associate degree in education, you will acquire knowledge of the teaching profession as well as a strong background in general education subjects required of teachers. You will also be prepared, if you choose, to transfer to a four-year institution.

By completing a General Education Transfer core and your Education courses, you will also be ready to enter baccalaureate degree programs as a junior.

**Degrees & Certificates Offered (Wabash Valley Region):**
Associate of Science (AS)

**Typical Careers:**
Substitute Teacher
Teaching Assistant

**POINTS OF PRIDE**

- A successful recent graduate was awarded the prestigious Vigo County “Excellence in Education” award
- Many graduates, upon completion of their teaching degree, have had the opportunity to be employed as teachers in the Wabash Valley
- Nearly 99% of our graduates transfer to Indiana State University to study Elementary Education
- Students observe and receive hands-on experience in area schools by mid-term of their first semester
- Students participate in review sessions by the faculty and prepare to successfully complete CASA (Core Academic Skills Assessment) prior to transferring to their four year institution
- Students have the opportunity to help local children and teachers in the community through various projects and activities by joining the IVY-S.E.A. (Student Education Association)
- Students have the chance to attend workshops for the preparation of their education portfolio
