- Indiana College Core (Start as a Sophomore) – TC[^]

School of Advanced Manufacturing, Engineering, and Applied Science & Frank L. Hilton School of Health Sciences on back >

*Denotes Transfer as a Junior programs. Transfer as a Junior programs, officially known as TSAP (Transfer Single Articulation Pathways) programs, are based upon a curriculum agreed upon across all of the public institutions in Indiana. These programs allow you to graduate from Ivy Tech Community College with an associate degree, then transfer directly to the four-year college or university directly as a junior. Learn more at ivytech.edu/tsap.

School of Advanced Manufacturing, Engineering & Applied Science

Advanced Automation & Robotics Technology - TC, AAS

- Mechatronics – CT

Automotive Technology - AAS
