Your Free Application for Federal Student Aid (FAFSA) was rejected by the Federal Processor because you did not complete the parent information section and/or did not provide a parent signature. You have indicated that your parents refuse to complete the FAFSA and do not provide financial support to you. Financial support can be cash or non-cash, including room and board, and/or the following types of expenses:

- Living expenses (rent, food, clothing, utilities, auto, cell phone, etc.)
- Financial (allowance, car payment, credit card, co-signer on any type of loan, etc.)
- Insurance (medical, auto, house/renters, etc.)
- Educational (tuition, fees, books, supplies, etc.)

A copy of this form must be completed for each parent and/or step-parent. Incomplete forms will be returned to you. Please allow approximately 30 business days for the complete set (from all parents/step-parents) to be reviewed. If approved and you meet all other financial aid eligibility requirements, you will be eligible to borrow only through the Unsubsidized Direct Loan Program. The maximum Unsubsidized loan is $5,500 for an academic year (fall, spring, and summer). You will not be considered for any federal or state grants, work-study, or the Subsidized Direct Loan Program.

Note: This form is not a request to be considered independent for financial aid purposes. To appeal your dependency status, you must have an extenuating circumstance that has caused an irreparable breakdown in the family situation (abuse/abandonment/unsafe living conditions/death of custodial parent). Contact your local Financial Aid Office if you wish to be considered for a dependency status appeal.
