HOW TO READ THIS CHART

To use this chart, you need to know your Expected Family Contribution (EFC) and your enrollment status. Locate your EFC on your paper or electronic SAR that was sent to you by the U.S. Department of Education after you completed your Free Application for Federal Student Aid (FAFSA).

If you have not yet completed a FAFSA, you can get an estimated EFC by completing a few steps at <https://fafsa.ed.gov/FAFSA/app/f4cForm?execution=e1s1>.

1. On the Pell Grant Award Schedule, look at the lefthand column labeled "EFC" and find the range of numbers containing your particular EFC.
2. Look at the columns to the right labeled with the four different enrollment statuses. The appropriate Pell Grant award amounts for every EFC are printed for each enrollment status and move across the same row as your EFC until you find the award amount for your particular enrollment status.

ENROLLMENT STATUS DEFINITIONS

To calculate your enrollment status, check the enrollment status definitions below. Your award amount is pro-rated each term according to your enrollment status.

Registered for at least 12 credit hours.

THREE-QUARTER TIME:

Registered for at least 9, but fewer than 12 credits or equated credits.

HALF-TIME:

Registered for at least 6, but fewer than 9 credits or equated credits.

LESS THAN HALF TIME:

**The EFC is for the entire academic year and does not change for different enrollment levels.*
