HELLO MY NAME IS...

CONGRATULATIONS!

You're on your way to completing your enrollment process at Ivy Tech Community College.

COMPLETE YOUR ASSESSMENT

Assessment determines your reading, writing and math skills, and helps your advisor determine which classes you need to take at Ivy Tech Community College.

There are many ways you can complete the assessment at Ivy Tech, including:

- Submitting SAT, ACT or PSAT scores
- Submitting your high school transcript with a cumulative high school GPA of 2.6 or higher on a 4.0 scale
- Submitting college transcripts showing previous college credit
- Taking an ACCUPLACER assessment at an Ivy Tech location

HAVE YOU ALREADY TAKEN THE ACT, SAT OR PSAT?

If you have completed the ACT, SAT or PSAT within the last four years, you may be able to submit your scores to Ivy Tech to satisfy the assessment requirement.

In most cases the following can be accepted for your assessment if they were completed within the last four years:

• Scores of 27 in Writing and Language, 510 in Enhanced Reading and Writing, 25 in Reading and 500 in Math or higher on each section of the SAT;

• 26 in writing, 25 in reading and 24.5 in math or higher on each section of the PSAT;

• Or 17 in English, 18 in reading, 18 in math or higher on each section of the ACT

If you have scores that meet the requirement, please send them to the Ivy Tech location you wish to attend. For a list of contacts, visit **IvyTech.edu/Assessment.**

DID YOU EARN AT LEAST A 2.6 GPA IN HIGH SCHOOL?

Generally, a high school cumulative GPA of 2.6 or higher on a 4.0 scale will meet the assessment requirement if this was your final GPA at the time of graduation and if you completed high school within the last four years. You must have graduated with a Core 40, Technical Honors, or Academic Honors diploma or equivalent. High school seniors who have not yet graduated can use the cumulative GPA after six high school semesters have been completed. Visit **IvyTech.edu/Assessment** to learn more about sending your high school transcripts to Ivy Tech.

HAVE YOU ALREADY EARNED COLLEGE CREDIT AT ANOTHER COLLEGE OR UNIVERSITY?

If so, submit your college transcripts to the Registrar's office at the Ivy Tech location you wish to attend. For a list of contacts, visit **IvyTech.edu/Registrar.** General education courses taken at another regionally accredited institution, with a grade of "C-" or higher, may be used to meet the assessment requirement.
