

How to Find Your Ivy Tech Email Address

In MyIvy, Click the arrow next to your initials, then click on My Profile

The screenshot shows the top navigation bar of the MyIvy website. It features the MyIvy logo on the left, a search bar, and several menu items: Tools & Resources, Browse Topics, Get Support, Find Answers, My Favorites, and My Items (with a notification badge). A dropdown menu is open under My Items, listing options: My Profile, Profile Manager, Change Password, Update address or phone, and Logout. A blue arrow points from the text above to the My Profile option in the dropdown menu.

Your Ivy Tech email address

The screenshot shows the My Profile page. The header includes the MyIvy logo, a search bar, and navigation links: Tools & Resources, Browse Topics, Get Support, and Find Answers. The main heading is "My Profile". Below this, there is a profile card for "STUDENT TEST". The card includes a placeholder for a profile picture and an "About" link. To the right, there are three input fields: "Name" (containing "Student Local"), "C#" (empty), and "Email" (containing "student@test.com"). A blue arrow points from the text above to the "Email" field.
