Step 3: Information Packet

• Pick up packet from office 3100 3rd floor – (Title ) Phlebotomy and Externship Packet, Fall 2014

• Packet will include:
  • 2-sheets stating Essential Functions – these are the abilities you should possess to become a Phlebotomist.
  • Application Form
  • Guidelines for the Externship – Please read this page carefully, there are cost associated to the course that are above and beyond the cost of tuition and books.
  • Schedule of dates: Application Form due by date, Lisa Comer will notify students of acceptance/denial into the Phlebotomy class. If accepted reply to email that you are still interested and plan to enroll, send response back to Lisa Comer by due date.
Enrollment is Limited

• Enrollment in PHLB 212 is limited by clinical availability.
• Enrollment of students in PHLB 212, will be conducted as follows:
  ✓ Students who will be eligible to graduate with the AAS in Health Care Support the semester following (PHLB 212) or during the semester of the Phlebotomy Externship (PHLB 257), and Certification seeking.
  ✓ First date of receipt of Phlebotomy Request Form.
  ✓ Wait listed students.

• Please contact Lisa Comer at lcomer@ivytech.edu or 574-289-7001 x5728 with any questions.
