Indiana College Core

CERTIFICATES

IVY TECH COMMUNITY COLLEGE

Depending on the program, certificates and technical certificates can be completed in one year or less. They are a great way to build a resume while working on a degree.

Students participating in the Statewide Transfer General Education Core (Gen Ed Transfer) can transfer a block of 30 credit hours to any public four-year college or university in Indiana.

2+2

GENERAL TRANSFER PROGRAMS

Many courses transfer to other colleges and universities. We also have several partnerships with in- and out-of-state schools.

COURSES & PARTNERSHIPS

More than 70 four-year institutions nationwide in 60+ programs allow you to take two years at Ivy Tech, then two years at that four-year institution.
