

# Professional Development e-Learnings in IvyLEAD

IvyLEAD is Ivy Tech's employee-facing Learning Management System (LMS). Through IvyLEAD you can access a variety of e-Learnings to develop skills and enhance performance in your current role or for a desired future role. You will find these optional e-Learnings in IvyLEAD's Learning Library.

Follow the instructions below to access the IvyLEAD Learning Library:

1. Log in to MyIvy
2. Click "EMPLOYEE" on the left side of the screen
3. Click on "Employee Dashboard" from the drop down list
4. Click on the "IvyLEAD" icon 
5. Click on "LEARNING LIBRARY" to view all optional e-Learnings
6. Click on the name of the e-Learning to enroll and begin

Within the Learning Library, you can find e-Learnings in a number of ways:

- Use the search bar in the upper left corner
- Scroll through the various categories, such as Career Enrichment, Teaching, or Technology
- Select "Tags" in the upper right corner to view e-Learnings on more specific topics
