Quick Reference Guide
for All Users!

What is IvyLife?
IvyLife is your gateway to student involvement at Ivy Tech! It is an on-line platform available to all students that provides tools to help you learn about what’s going on and how to get involved on campus. Students can:

- learn about campus events and activities
- search and join student organizations
- find opportunities to get involved
- generate records of your campus involvement
- connect with other students

In addition, student organization leaders and advisors will be able to communicate with members, share important documents, conduct online polls, post event information and create group web pages.

1. Logging In
Simply click on the IvyLife button in the Quick Links section of Campus Connect! You will be taken directly into IvyLife.

If it’s your first time logging in, you will be asked to complete your User Profile.

2. Community Home
The Community Home Page will always be the first screen you will see anytime you log in (except for the very first time). It looks like this:

Navigate to your Tools, Inbox, Notifications, Etc!
Browse all Organizations in the State!
Search in your Region!
Current Events/News/Etc!
Upcoming Events at a Glance!

3. Awesome Features
IvyLife is a powerful tool for staying connected to what’s happening on your campus, in your region, and across the state!

If at anytime you need help with IvyLife or would like to edit your profile, simply click on the icon. You can also log out of IvyLife here.

Other cool features include the ability to fill out applications, RSVP for events, message your friends, create a personal ePortfolio, access important documents, and make your voice heard with online polling!

4. Student Organizations
Clicking on the Organizations button at the top of the page will show you every student organization from around the state.

Find the student organizations in your region by selecting your region from the filter.
