

# About

Ivy Tech is committed to helping you succeed. We use diagnostic assessment to assess your skills determine the appropriate level courses for you to begin your education in English and Math. As you complete the assessment, an individualized curriculum is built based on your responses. After the assessment, you have the opportunity to improve your scores through Learning Paths to better prepare for courses or place into higher level courses.

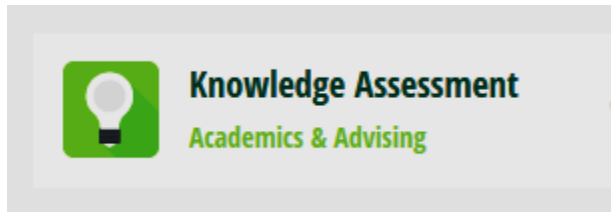

# Placement Options

Students may choose to self-place into pre-college level courses (0 level courses) and not take the Knowledge Assessment. This may add additional courses to their overall program of study.

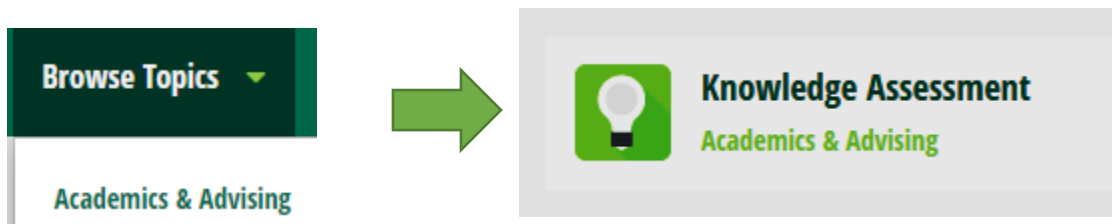

Additionally, students can elect to take pre-college level courses (0 level courses) even after taking the Knowledge Assessment.

# Accessing Knowledge Assessment

Knowledge Assessment is found in your [MyLvy](#) account, located in the Favorites section of your MyLvy Student Dashboard. The assessment button looks like this:

NOTE: if you do not see the Knowledge Assessment button in your Student Dashboard, go to Browse Topics / Academic Advising and look for the Knowledge Assessment button in the alphabetized list of resources.

- When you click the Knowledge Assessment button, it will open with your assessment goals already loaded based upon your program of study.
- If you do not see the goals loaded, you may add them by clicking the goal key button and adding the following goal keys:

Course	Goal Key (CASE SENSITIVE)
All English	ENGLISH
Quantitative Reasoning Math	QR
STEM Math	STEM
Tech Math	TECH

## After the Assessment

- **If you do not reach the college level score:** One option is to continue in the ***Learning Path*** (also known as a Study Path) to prepare for your next course or take a pre-requisite course (your advisor can help you decide next steps)

**If you meet the college level score:** Your next step is to schedule an appointment with your advisor. You can do this in Mylvy under the "Advising" tab.

<b>Course</b>	<b>Minimum score required to enroll in course:</b>
English 075 (Pre-college Level)	0-69
English 111 (College Level)	70+
Math 080 (QR) (Pre-college Level)	0-54
Math 123 (QR) (College Level)	55+
Math 023 (STEM) (Pre-College Beginning Algebra)	0-50
Math 043 (STEM) (Pre-College Intermediate Algebra)	50-69
Math 135 or higher (STEM) (College Level Algebra)	70+
Math 122 (TECH)	55+
