

LIBERAL ARTS

The Associate of Arts and Associate of Science in Liberal Arts are transfer programs that provide you with an opportunity to complete the first two years of study leading to a bachelor's degree in liberal arts areas. Articulation agreements have been established with all public, four-year universities in Indiana so that if you complete your associate degree, you may fulfill the requirements for a related bachelor's degree in an additional two years of full-time study at the university.

Degrees & Certificates Offered (Wabash Valley Region):

Associate of Arts (AA)

Associate of Science (AS)

POINTS OF PRIDE

- ▶ Students gain university experience in a community college setting
- ▶ Students can transfer as juniors
- ▶ Students are taught by Ivy Tech professors
- ▶ Faculty are experienced scholars, authors, and teachers
- ▶ The general education transfer core of the degree provides broad exposure in composition, the humanities and sciences, mathematics, communication, and multicultural awareness

- ▶ Students can earn Indiana's statewide Transfer General Education Core, 10 general education courses (30 credit hours) that transfer as a block to any other state institution of higher education
- ▶ Earn a certificate in Global Studies by taking global studies courses, completing the Global Studies Capstone and participating in a Global Immersion experience
- ▶ Students can participate in the Study Abroad program and travel to international destinations while taking a general education course for a cultural immersion educational experience
- ▶ Enter the Associate Accelerated Program (ASAP) and earn a Liberal Arts associate degree in one year. This intensive, multi-tiered program positions students to begin their career immediately following graduation or to transfer their credits to a four-year institution to continue their education
- ▶ Students can participate in service learning projects to engage and support our community
