If you are interested in pursuing a degree in Nursing at Ivy Tech, this workshop is your **FIRST** step.

**Mandatory Advising Workshops**

This workshop is **mandatory** only for students who are interested in Nursing (LPN or RN.)

This group workshop will help students learn about the steps necessary to apply for admission into the nursing programs, classes and tests required, and resources available.

✈ **You cannot enroll in any courses until you have attended a Mandatory Advising Workshop.**
