

# HEALTHCARE SPECIALIST

IvyTech.edu/healthcare-specialist

## OVERVIEW

The Healthcare Specialist Program offers exciting opportunities for people who are considering entry into the health care field. This course of study allows students to obtain in demand stackable certificates in health care sectors such as hospitals, long term care facilities, physician practices, out-patient blood draw/blood donor centers, retail pharmacy, and ambulance services. The Healthcare Specialist program can pave a way to increased skills, knowledge and the opportunity for further advancement in the workforce!
