The pass rates for the NREMT psychomotor paramedic exam are listed below:

Calendar Year	Pass Rate
<b>2019</b>	<b>100%</b>

**POSITIVE PLACEMENT RATE**

The positive placement rate, as defined by CAAHEP based on graduates\* of the paramedic program who are reporting working in either a full-time or part-time position as a paramedic within twelve months of graduation, continuing their education, or serving in the military, are listed below:

Graduation Years	Positive Placement Rate**
<b>2019</b>	<b>100%</b>

\*Graduate is defined as a student who has completed all requirements to be allowed to sit for the NREMT Cognitive and Psychomotor Skills Exams.

\*\*Positive placement for graduates who subsequently pass their NREMT testing is 100%

\*\*\* Numbers used above are from the data collected in the current CoAEMSP Annual Report
