*Denotes Transfer as a Junior programs, Transfer as a Junior programs, officially known as TSAP (Transfer Single Articulation Pathways) programs, are based upon a curriculum agreed upon across all of the public institutions in Indiana. These programs allow you to graduate from Ivy Tech Community College with an associate degree, then transfer directly to the four-year college or university directly as a junior. Learn more at ivytech.edu/tsap.

AAS: Associate of Applied Science  AS: Associate of Science  TC: Technical Certificate  CT: Certificate
