

APPROVAL OF INSTITUTIONAL METRIC PROCESS

RESOLUTION 2015-71

WHEREAS, Ivy Tech Community College of Indiana's State Board of Trustees has reviewed previous and current institutional metrics, Tennessee higher education performance funding metrics, and Indiana Commission for Higher Education metrics, and

WHEREAS, the State Board of Trustees will provide continued leadership and direction in the shaping of institutional performance metrics and program review data and processes, and

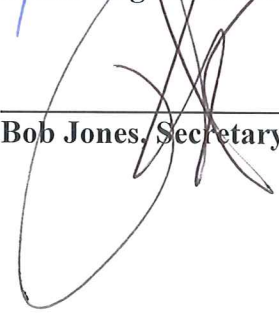

WHEREAS, a special committee comprised of senior staff and chancellors proposed a draft of 2015-16 college metrics.

NOW THEREFORE BE IT RESOLVED that the State Trustees does hereby affirm that this special committee along with trustees and additional senior staff, including chancellors, will create and monitor 2015-16 institutional metrics, by November 30, 2015, to help improve student retention and success at Ivy Tech.
