

2013-14 COLLEGE SUCCESS METRICS

RESOLUTION 2013-61

WHEREAS, Ivy Tech Community College is focused on Accelerating Greatness to continue to Change Lives and Make Indiana Great

WHEREAS, the Community College is the most student-focused institute in the state of Indiana and student success, and helping students achieve their educational goals is the primary mission of the College

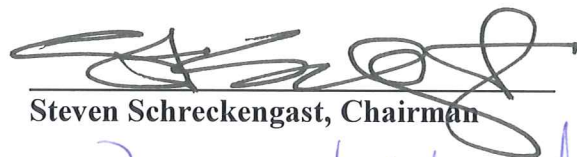

WHEREAS, the College believes measuring performance is critical to measuring success and making decisions based on data is critical

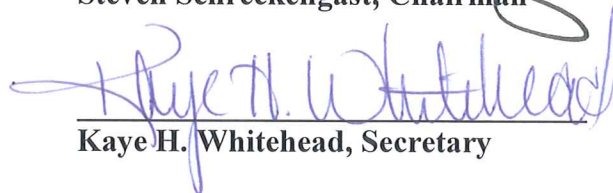

WHEREAS, the Board and College believes in transparency in order to educate our internal and external stakeholders on the goals that the College is focused on and how those goals will help increase college attainment levels throughout our state and increase the number of Hoosiers attending higher education and leaving with a valued credential or degree

WHEREAS, the College should be evaluated on performance and all faculty/staff should embrace such evaluation

THEREFORE BE IT RESOLVED, the College adopts the attached college metrics in order to continue to Accelerate Greatness at Ivy Tech Community College in order to ensure student success
