

APPROVAL OF PURCHASE OF HARDWARE FROM CDW EXCEEDING \$500,000

RESOLUTION NUMBER 2014-39

WHEREAS, On October 1, 2012, the College entered into a Master Products Sales Agreement with CDW Government LLC ("CDW") for the purchase of hardware and software that are commercially available through CDW's catalog at discounted rates, and

WHEREAS, the College would like to make some major purchases of hardware from CDW from funds that have been budgeted for updating network equipment throughout the College, and

WHEREAS, the Office of Information Technology has researched the cost of such hardware and believes that the purchase of the equipment from CDW accompanied by the professional services associated therewith will result in the lowest discounted rate available to the College, and

WHEREAS, because these purchases would exceed \$500,000 Trustee approval is required pursuant to the Trustee by-laws, and

NOW THEREFORE BE IT RESOLVED, that the State Trustees do hereby approve the purchase of products and services from CDWG that will exceed \$500,000.
