***GUEST MAY MEET THEIR GRADUATE IN FRONT OF THE COLISEUM
IMMEDIATELY FOLLOWING THE CEREMONY***

Welcome to Commencement!

To our graduates their families and friends:

Welcome to Commencement 2022! We are pleased to commend the success of our graduates as you represent the reason the College exists—to produce graduates who are well prepared to enter the world of work or to transfer to a four-year college.

As you depart Ivy Tech, I challenge you to allow your academic experiences at the college to serve as the foundation upon which you build productive careers. Allow your social interactions with faculty, staff, administrators, and your fellow students to guide you as you interact with individuals in the workplace and in society, and allow the College's commitment to you to be a model for your commitment back to yourself, your family, your community, and your alma mater.

The torch has been passed to you with the expectation that you will hold it higher and carry it farther than those who walked before you. My greatest wish is that you will do for the world what your alma mater has tried to do for you— impart knowledge, share wisdom, nurture and guide, and maintain the highest ethical standards in all that you do. Be courageous and go confidently in the direction of your dreams.

May you always demonstrate what it means to be a member of the Bear Nation!

With Ivy Indy Pride,

Lorenzo L. Esters, Ed.D., Chancellor

Honorary Degrees

Ivy Tech Community College awards Honorary Degrees in College and Community Service to select individuals each year. The following individuals have shown exemplary service to the College and/or the community and are being recognized with honorary degrees during today's ceremony.

Marianne Glick

Marianne Glick is the board chair of the Glick Family Foundation, a charitable initiative of Glick Philanthropies focused on building community and creating opportunity in places where the Gene B. Glick Company operates. Marianne has carried on the legacy of her parents and the mission of the Gene B. Glick Company through countless investments to enhance education, self-sufficiency and quality of life in Central Indiana.

Marianne is retired as president of Glick Training Associates, a firm she founded in 1986 to assist organizations in enhancing employee productivity and effectiveness. Glick also serves on the board of directors for the Gene B. Glick Company, United Way of Central Indiana, IUPUI Board of Advisors, Central Indiana Community Foundation, Goodwill Industries of Central and Southern Indiana, Ascend, RISE and the State Board of Trustees for Ivy Tech Community College. She is also the president of the TeenWorks Board of Directors.

Dennis Murphy

Dennis Murphy is President and Chief Executive Officer of IU Health, the largest integrated healthcare system in Indiana and one of the largest in the country, with over 38,000 employees, and provides approximately 30% of all care delivered in the state through its 16 hospitals, over 300 clinical sites, and a growing number of home based and telemedicine services.

He joined IU Health in 2013 as Chief Operating Officer and has guided IU Health as it seeks to fulfill its vision of making Indiana one of the healthiest states in the country. This goal will ideally be achieved through the provision of high-quality destination health programs, building value-based care constructs with payors and employers, and addressing underlying impediments to health through community health programs. This vision will be driven by a collective culture that fosters purpose, excellence, compassion, and teamwork.
