

Accessing Ivy+ Print Options

As a part of the Ivy+ program, students with digital textbooks have access to optional print materials (loose-leaf print) at no cost for the Fall 2021 and Spring 2022 terms. These materials are available for students who would like a physical copy of a book that is delivered digitally. To order a print option, at no cost, visit the [Ivy+ Textbook website](#) for step-by-step instructions. For questions about Ivy+ Print Options, please contact the [Barnes & Noble team](#).

Step 1: On the Ivy+ Textbook [website](#), you will see a section for **Ordering Ivy+ Textbook Print Options** with step-by-step instructions. The first step will direct you to the Barnes & Noble Ivy Tech website where you will **Find Textbooks**.

A screenshot of the Ivy Tech Bookstore website. At the top, there is a navigation bar with the Ivy Tech logo on the left, a search bar in the center, and links for 'APPLY NOW', 'REQUEST INFO', and 'PROGRAMS A-Z' on the right. Below the navigation bar, the word 'Bookstore' is centered. The main content area features a large green banner with the text 'FREE TEXTBOOKS' in white and blue, and the Ivy+ logo to the right. Below the banner, a section titled 'Accessing Your Ivy+ Textbooks in 3 Easy Steps!' contains three numbered steps: Step 1: Register for class (with a laptop icon), Step 2: Confirm your Ivy+ textbook order (with a keyboard icon), and Step 3: Find Textbooks (with a magnifying glass icon).
