The College is the owner of land and improvements commonly known as the Ivy Tech Community College/John Waldron Arts Center located at 122 S. Walnut Street, Bloomington, Indiana 47401 (the "Building" or "Leased Premises").

THEREFORE, in consideration of the mutual promises herein contained and other good and valuable consideration, it is agreed:

1. **Terms**

- A. The term of this agreement shall be based on the rental set forth per the College's published rental price structure and guidelines, applicable to all organizations renting space in the Building. The prevailing published **Rental Terms and Conditions (Schedule A) and Rental Rates (Schedule B)** form part of this agreement.
- B. Refundable Damage Deposit: The Renter shall leave the Leased Premises in the same condition as when they entered the Building prior to their use of the Building. Should the Leased Premises be damaged or left in poor condition, the damage deposit shall be used to correct such damage or condition. In the event that the damage deposit is insufficient to adequately correct such condition the Renter shall be responsible for the difference, payable in full within 30 days of notification. In the event that any deposit is left after the correction of any damage or poor condition the balance shall be returned to the Renter.
- C. Use of Alcohol: Laws of the State of Indiana pertaining to the use of alcohol apply. A permit issued by the Indiana Alcohol and Tobacco Commission is required to be displayed at the event and appropriate bartender/server permits issued by the Indiana Alcohol and Tobacco Commission should be available at the event/performance. A copy of the permit is required to be submitted to the College thirty (30) days prior to the event. Renter must secure liquor liability insurance and have the College named as a co-insured.
- D. Renters using copyrighted materials and royalty protected works should provide the College with documentation that rights to these works have been obtained.
- E. Renter has access to Fractured Atlas programs for one year through their association with The College.

2. **Rental**

Rental fees: 50% due first day of rental; 50% due day after rental to The College at 200 Daniels Way, Bloomington, Indiana 47404. If payment is not received by the dates provided, the College may terminate this rental agreement and preclude renter from any and all access to the facility.

3. **Use**

The Renter is to use the Leased Premises for events or theatrical/musical performances and related activities as specified in this agreement and for no other purpose.

4. **Catering**

If food service or catering will be provided at this event, the Renter will be responsible for securing appropriate staff. All caterers must be pre-approved by the College. Caterers brought in by Renter shall carry adequate liability insurance coverage in an amount not less than \$1,000,000.

4. Food

Foods, beverages, or substances that may stain or otherwise damage any interior surface of the building are not permitted in rented space. Examples of prohibited foods/beverages include fresh berries, and artificially colored drinks, and cola. No food or beverage, other than water, is allowed in any of the performance spaces during a performance, unless it is part of the performance.

5. Sublease

Renter shall not sublease any part of the Leased Premises.

6. Other Uses

The College retains the sole right unconditionally and irrevocably to use the Building as it deems fit at any time. During the term of the lease, The College maintains the right to rent other locations in the Building.

7. Repairs

During the Lease term, Renter shall make, at Renter's expense, all necessary repairs to the Leased Premises for any damages incurred to floors, wall, ceilings, and other parts of the Leased Premises as a result of the Renters activities in the Leased Premises including but not limited to the construction of sets. Should the Renter cause damage and the cost of repair or cleaning of the Building be more than the above referenced deposit then Renter shall reimburse the College for all additional costs associated with repair or cleaning of the Building following its use by Renter.

If damage exceeds the amount of the deposit, any subsequent rental agreements already entered into between the College and renter will be held in abeyance by the College until the cost for the damages has been settled in full by the renter or renter's agent.

The College will ensure that the rented facilities are clean and in the standard configuration prior to the lessee's scheduled load-in. Equipment is designated to each performance space and should not move from space to space. Renter is responsible for returning the space to its original condition at the end of the rental period. This responsibility includes but is not limited to the following tasks: cleaning space of trash, placing trash in appropriate trash containers, and cleaning dressing rooms, backstage, and performance spaces. Failure to fulfill cleaning responsibility will result in a fee assigned to the lessee. A cleaning/damage fee will be assessed for any damages beyond the normal wear and tear to the facilities, and/or for any extra cleaning of any areas in the leases premises and/or for failure to return the space to its original configuration. The amount of the fees would depend on the damage, the cleaning to be done and/or staff time to return the room to the standard configuration. Please see the attached Fee Schedule for additional information.

8. Alterations and Improvements

Renter shall not have the right to remodel, redecorate or move any permanent or temporary items or structures, nor make additions, improvements and/or replacements of and to any part of the Leased Premises. Renter shall have the right to place and install personal property, equipment and other temporary installations in and upon the Leased Premises. The load limit on the grid is a maximum of 30 lbs/ft. All personal property, equipment, machinery and temporary installations, whether acquired by Renter at the commencement of the Lease term or placed or installed on the Leased Premises by Renter thereafter, shall remain Renter's property free and clear of any claim by The College. Renter shall have the right to remove the same at any time during the term of this Lease provided that all damage to the Leased Premises caused by such removal shall be repaired by Renter at Renter's expense. Anything not removed from the space within two weeks of a show closing will be disposed of by The College, and Renter will be charged for any costs associated with removal.

9. Early Termination

In the event that Renter fails to meet any obligations created under this agreement, the College reserves the right to insist that Renter cure such breach by providing written notice to Renter. In the event that such breach is not cured within 10 days the College shall have the right, in its discretion, to terminate this Agreement immediately and without further notice.

In the event of early termination permitted by this Agreement, Renter shall be entitled to a refund of any fees or pro-rata portion thereof paid by Renter for any remaining period of the Agreement from the date of termination.

10. Insurance

- A. If the Leased Premises or any other part of the Building is damaged by fire or other casualty resulting from any act or negligence of Renter or any of Renter's agents, employees or invitees, rent shall not be diminished or abated while such damages are under repair, and Renter shall be responsible for the costs of repair not covered by insurance.
- B. The College shall maintain fire and extended coverage insurance on the Building and the Leased Premises in such amounts as The College shall deem appropriate. Renter shall be responsible, at its expense, for fire and extended coverage insurance on all of its personal property, including removable trade fixtures, located in the Leased Premises.

The College shall be listed as an additional insured on Renter's policy or policies of comprehensive general liability insurance, and (10) days before the rental date or

earlier Renter shall provide The College with current Certificates of Insurance evidencing Renter's compliance with this Paragraph. Renter shall obtain the agreement of Renter's insurers to notify The College that a policy is due to expire at least (10) days prior to such expiration. Renter shall repair all damage to the Leased Premises resulting from the removal of signs installed by Renter.
