Honorary Degrees

Ivy Tech Community College awards Honorary Degrees in College and Community Service to select individuals each year. The following individuals have shown exemplary service to the College and/or the community and are being recognized with honorary degrees during today's ceremony.

Chef Bouit D. Bouit ~ President and CEO, Chef Bouit Bouit International, Inc. Chicago (MBI, Inc.)

France native Chef Michel Bouit has an illustrious 45-year culinary career, both in the United States and throughout Europe. His professional career began in California, where he held several positions as a chef. Following this experience, Chef Bouit moved to Chicago where he was the executive chef and director of dining services for the Exchange National Bank for 20 years.

Throughout his career, Chef Bouit has been an active member of the culinary industry, holding several elected offices. He has also won several awards and medals, some of which came from the International Culinary Olympics in Germany and the Pan American Culinary Olympics in New Orleans. In 1991, he established MBI Inc., a Chicago-based culinary consulting firm. This company creates and leads international culinary adventures for gourmet traveler groups and independent travelers. Chef Bouit has also presided over the Bocuse d'Or United States National Selection for more than 20 years.

He and his wife, Janet, live with their dog, Henry, in the Governor's Residence on North Meridian Street in Indianapolis.

Rollin and Cheryl Dick

Rollie and Cheri Dick met through Civic Theatre when Rollie, then board chairman, hired Cheri for the position of executive director. They are both passionate about supporting this theatre, now named the Booth Tarkington Civic Theatre in Carmel, among many other cultural organizations throughout central Indiana. Cheri was instrumental in orchestrating the expansion and move to the Center for the Performing Arts in Carmel.

An Indianapolis native, Cheri graduated from Tudor Hall, the all-female school that eventually combined with the all-male Park School to become Park Tudor. Her love of theatre came from her involvement with the school play "The King and I," staged at Tudor Hall. Although she tried out for the lead, she unexpectedly was awarded the position of "business manager." Who would have known the position would be a precursor of her future career, even though she studied political science while pursuing a degree at the University of Denver.

Originally from Sanborn, Iowa, Rollie earned a degree from the American Institute for Business (AIB) in Des Moines. His career began at a small CPA firm in Iowa and he eventually made his way to Indianapolis in 1965 with Coopers & Lybrand (now Pricewaterhouse Coopers LLP). Following his career in public accounting, Rollie was the CFO of Conseco, Inc.

Rollie's love of the theatre also began when he was young. He found that if he arrived at the local theatre two hours early and volunteered to usher, he would get two free tickets.

"As a result of this bonus, I became hooked on theatre," he said.

Both Rollie and Cheri enjoy a busy schedule attending the myriad arts performances throughout central Indiana.

Rollie and Cheri are now retired, but stay very busy providing their energy and expertise to organizations throughout Indianapolis including, but not limited to, board memberships at Ivy Tech Community College, Butler University, Indianapolis Symphony Orchestra, Indianapolis Zoo, Indiana Landmarks, YMCA of Central Indiana, St. Vincent Hospital Foundation, Great American Songbook Foundation and Indiana Repertory Theatre.

Rafael Sánchez

Rafael Sánchez is a Murrow and multiple Emmy award-winning Investigative Reporter at WRTV-6-ABC who anchors the nightly 7 p.m. newscast. In 2018, he received a regional Emmy and Associated Press award for his quality of journalism.

Every year, Rafael enjoys participating in about 40 charitable events that raise money and awareness for organizations around Central Indiana. In June in 2017, he completed his 2016 - 2017 responsibilities as Community Engagement Co-Chair for United Way of Central Indiana and assisted in raising millions of dollars to improve education, financial stability, health and basic needs benefiting thousands of families across our region.

Rafael came to Indiana from the Bronx, New York to attend Franklin College of Indiana where he triple-majored in Journalism, Political Science, and Spanish. He is a member of his alma mater's Board of Trustees.

His wife of 25 years is a kindergarten teacher and they are the parents of children.

His daily aspirations are rooted in the words of Dr. Martin Luther King Junior who wrote: "Life's most persistent and urgent question is, what are you doing for others?"
