

GENERAL STUDIES

The General Studies program focuses on students taking their first two years of college at Ivy Tech Community College and then transferring their credits to other colleges and universities both in state and out of state. General Studies students complete a core of general education courses which include communication, English composition, mathematics, life and physical sciences, social science and humanities courses.

TRANSFER OPTIONS:

Articulated transfer opportunities are available with public four-year universities in Indiana. Additional opportunities for courses and program transfer may also be available. You should contact the transfer office of your local Ivy Tech for additional information. Students are encouraged to review their transfer options with their advisors, to consult the current catalog of the institution to which they wish to transfer, and to contact the institution to which they wish to transfer before selecting courses.

LIBERAL ARTS AND SCIENCES

The Associate of Arts and Associate of Science in Liberal Arts are transfer programs that provide you with an opportunity to complete the first two years of study leading to a bachelor's degree in several liberal arts areas. Articulation agreements have been established with all the public, four-year universities in Indiana so that if you complete your associate degree, you may fulfill the requirements for a related bachelor's degree in an additional two years of full-time study at the university
