DO YOU KNOW WHAT’S POSSIBLE
AT OUR WABASH AND HUNTINGTON LOCATIONS?

Ivy Tech Community College offers more than 150 programs statewide—within the traditional classroom setting and online. Each campus provides a wide variety of options that let you hit the ground running, whether you want to start your career as soon as possible or continue your education at a four-year college or university. If you choose to take your classes between just the Huntington County Community Learning Center and the Wabash Campus, the following pathways are available from beginning to end (unless noted otherwise):

**FALL 2016**

- Business Administration technical certificate
- Certified Production Technician certificate (Automotive Technology)
- Cyber Security/Information Assurance technical certificate
