PRINCETON CAMPUS

ATTENTION ALL ADULT EDUCATION STUDENTS!

Starting July 1 2022, the Ivy Tech Evansville Adult Education program will have a different structure. The current structure of “come as you may”, or attending any & all classes you are able to is changing to a regular class format, with class beginning and end dates, class milestones and dedicated schedules. This is to promote and encourage an environment of self-accountability and self-motivation.

There will be a total of 6 cohorts (class groupings) for each program year.

- (2) 6-week Summer Sessions
- (4) 8-week Sessions
