IVY TECH COMMUNITY COLLEGE
Financial Aid Office
Request for Dependency Status Review Form
2024-2025

DEPENDENCY STATUS
The underlying principle of need analysis for federal financial aid is that parents have an obligation to finance the education of their child(ren) to the extent they are able. The analysis measures ability to pay, not willingness. If there are extenuating circumstances that have caused a break in the normal parent/child relationship, or if you have married since filing your FAFSA, you may appeal to the financial aid office to have your status reviewed. The unwillingness of your parent(s) to provide parental data on your financial aid application or to financially support your education, or your unwillingness to seek financial assistance from your parent(s) is NOT an acceptable reason to appeal your dependency status. Having sufficient resources to pay your own expenses is also not considered an extenuating circumstance for determining dependency status.

REQUESTS FOR REVIEW
It is important to understand that a student who is declared independent as a direct outcome of this appeal would be considered independent by professional judgment at this college only. Also note that this review could potentially decrease your student financial aid eligibility. You will be notified of the decision on your MyIvy account and/or Ivy Tech email account within 30 calendar days after submitting your documentation to the Financial Aid Office.

INSTRUCTIONS:
- Step 1: File the Free Application for Federal Student Aid (FAFSA) for 2024-25.
- Step 2: Complete this form in its entirety.
