ABOUT ADVANTAGE SHELBY COUNTY

- Advantage Shelby County is a two-year college scholarship program specifically aimed at raising educational attainment and workforce readiness in Shelby County
- Partnership between the City of Shelbyville, Shelby County, and Ivy Tech Community College
- Provides gap scholarship funding to Shelby County Students to pay tuition costs not covered by state, federal or institutional aid
- In exchange for local support, students agree to perform 10 hours of community service per semester or fulfill a program work requirement with a Shelby County company
- Students will be assigned a local mentor to guide them on their educational path
- Available to Shelby County residents beginning with the class of 2016
- Educate students in Shelby County to retain them in Shelby County
