

EXPLORE HEALTH SCIENCES

Have you ever wondered what it would be like to have a career in the health sciences?

There's so much more to healthcare than just nursing! Join us as we speak with some of our graduates from the School of Health Sciences. Learn about what a day in the life is like for a Paramedic, Massage Therapist, Medical Assistant, Surgical Technologist, and Phlebotomist.

This will be an interactive session where you will get to ask questions, and get the answers you've been waiting for!

FEBRUARY 14
